Board of Trustee

Hon. Dr.Nandkumar G. Vedak
Chairman & Managing Trustee

Hon. Shri. Unmesh N. Vedak	Secretary & Trustee
Mrs. Sanjivani N. Vedak	Trustee
Mrs. Sajani U. Vedak	Trustee
Miss. Sonali N. Vedak	Trustee

Our Vision

Vision of the Trust is to establish an Engineering Institute of International repute which will produce pool of industry ready quality Engineers.

Our Mission

The mission of the Trust is to set-up a quality Engineering Institute which will provide professional education to the aspiring students not only from the urban areas but also from the rural areas with the support and guidance from highly qualified experienced professor and teaching staff. And delivering well-groomed competent engineers, who's shall be future ready and solution providers for the society.

Our Goals

- To make our institute a center of excellence.
- To develop degree holders for employment and an entrepreneurship.
- To attract, to retain and develop faculty for promoting lifelong learning culture and knowledge creation.
- To develop strategic alliance with reputed institutes to acquire knowledge in the field of emerging technologies.

Chairman's Message

Hon. Dr. Nandkumar G. Vedak
Chairman

Welcome to G. M. V. I. T.
Let me first congratulate the students seeking admission to our engineering degree courses and their entry into the technical world for a prosperous career. I extend my best wishes for their bright future.
G. M. V. I. T. is committed to uphold the high standard of technical education and shall not leave stone unturned in continuously implementing innovative ideas in the field of technical education and development.We assure that your stay with us will be fruitful,comfortable, enjoyable and memorable for the years to come.

Shri Unmesh N. Vedak
Secretary

Sectretary's Message

Our main aim is to stimulate creative thinking and solution providing amongst the student. The Institute has been growing steadily with highly qualified faculty in keeping pace with the present trend of development in research & Industrial scenario.
The G.M.Vedak Institute of Technology has a clear vision and objective. In teaching-learning aspects, G.M.V.I.T. has established new state of art laboratories, E-library, E-learning & Wi-Fi facility in the campus and has been continuously upgrading to the latest development. We hope to inculcate a spirit of leadership and entrepreneurship amongst the students.

Principal's Message

Dr. Dilip N. Jaiswal
Principal

G.M. Vedak Institute of Technology, Tala established in 2011, with the aim of providing quality technical education to the students who aspire to become skilled engineers. And it is striving to impart quality education to strengthen technical base in the country. The institute recognized the need of the hour and setup strong institution to educate the youth, to make them aware of the rights as well as what they can be and what they can do for the nation. It is a fast growing technical institution in the Kokan region. At G.M.V.I.T, we provide a warm, caring, stimulating and challenging environment in which our students learn and develop. We aim to develop value every student in our care and it is our aim to provide the best possible environment in which students can succeed. We provide an environment, which enriches the intellectual, spiritual, emotional and physical development of the students in an atmosphere that is happy and nurturing.

We believe in strong Industry-Institution Interaction through expert talks, seminars, workshops, industrial projects and technical visits. We seek to inculcate a passion for learning in our students that would make them use their knowledge and skills for the betterment of the society. Under the able guidance of the trustees, a dedicated team of teachers, administrative staff and a management with great vision, form a unified team making endeavors to transform the young ones into professional technocrats having knowledge, energy, strength, and create a catalytic force to metamorphose the social fabric.

The college teaching staff is selected one, highly experienced, skilled and devoted to their assigned work. The college is having well updated Library where all type of engineering course books and different magazines, Journals, E-Journal facility are available and students can update their day to day technical and general knowledge. From this facility students can also prepare for the GATE and other competitive Examination. Our staff is fully devoted and abides to make our engineering students efficient/sound/suitable and shaping their career as a better engineers of modern developing India which will be accepted at Global level.

I wish you a very happy and academically rewarding student life at G.M.V.I.T and hope that you will lay the foundation for a bright and rewarding career.

Dean's Message

Prof. V. M. Shelke
Dean Academics

The Biggest challenge for today's engineering educational institutions is to accommodate the ever changing aspirations of the younger generation. We continuously put efforts to enhance academic stadard of our budding engineers by improving the academic delivery mechanism with innovative teaching-learning practices along with round developmental activities. Aim of our institute is to prepare academically rich and professionally competent engineers with social sensitivity. We belive that with planned actions and timely control, we will be able to come out future generation for molding our future generation for employment in industry and for higher studies in India and Abroad.

Prof. Vishvas H. Kshirsagar
Assistant Professor & Registrar

Registrar's Message

In today's ever changing educational environment it has become progressively more competitive to chart a way for the future. We need to put our aspirations and share our vision for what we believe is possible and to challenge ourselves to continuously reach beyond our current grasp. The focus today is more on technical education. Technical education has the power to develop our nation in all regards. In the past two decades, technological growth enabled India to prosper in many fields. Our endeavor is to integrate knowledge and inculcate in our students the skills to manipulate knowledge to meet their career goals and continue the process of lifelong learning. They would develop cutting edge technologies to foster growth and advancement of technology and management practices.

Department of Computer Engineering

"Improving quality of life by enhancing knowledge, imparting skills & building right attitude for success of individuals."

Prof. Pankaj R. Kunekar
HOD

Computer Engineering program was started in year 2011. The main focus of department is to deliver professionals with strong fundamentals in Computer Science & Engineering domain. The department has well qualified & experienced teaching faculty member with various specializations.

ACHIEVEMENTS OF DEPARTMENTS

Prof P.R.Kunekar started NPTEL Local chapter in Institute. 152 students and faculties enrolled for various courses
Prof.V.M.Shelke,Prof.V.H.Kshirsagar and Prof. R.S.Kulkarni cleared Mumbai University PET exam
Prof P R Kunekar is pursuing Ph.D. in Computer Science and Engineering
Prof. R.O. Singh is pursuing Ph.D. in Computer and System Science
SE Computer students achieve Elite certificate in IIT NPTEL course
Mubashir Chandale got 92% (Gold Certificate) in NPTEL Online 8 weeks Course by IIT Mumbai
18 students and 2 faculties have completed NPTEL Online 12 weeks Course by IIT Mumbai

DEPARTMENTAL ACTIVITY

NPTEL Online Course by Prof.K.R.Metha
"Aptitude and Technical test series to Final Year Students by Prof.P.R Kunekar
2 Days workshop on Internet of Things by Robokart and IIT Innovation Cell
Aptitude Competition (Battle of Minds v3.0)

Department of Electronics & Telecommunications

"Technology challenges should not paralyze you, they help you discover where you are."

Prof. S.E. Gawali
HOD

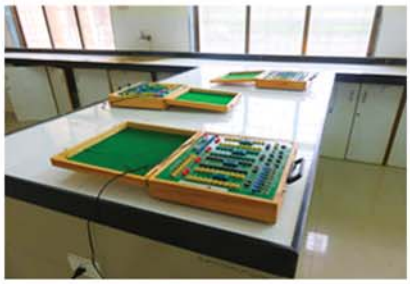
Vision of the Department is to produce globally competitive and socially sensitized engineering graduates and to bring out quality research in the frontier areas of Electronics and Telecommunication.The Department was established in 2011 and offers four year degree course in Electronics and Telecommunication Engineering. The Department has experienced and well qualified staff. The laboratories are well equipped with excellent training aids and modern equipment.

ACHIEVEMENTS OF DEPARTMENTS

Prof. S. E. Gawali, presented a paper titled "Alert Women Safety Using GPS" in 3rd International Conference on Advanced Trends in Engineering (ICATE-2K19) organized by Department of Electronics, Datta Meghe College of Engineering, Airoli on 4th and 5th April 2019.

Prof. S. B. More, presented a paper titled "Color detection object sorting technique by using IoT" in 3rd International Conference on Advanced Trends in Engineering (ICATE-2K19) organized by Department of Electronics, Datta Meghe College of Engineering, Airoli on 4th and 5th April 2019.

Prof. S. D. Jadhav, presented a paper titled "Smart Doctor patient System" in 3rd International Conference on Advanced Trends in Engineering (ICATE-2K19) organized by Department of Electronics, Datta Meghe College of Engineering, Airoli on 4th and 5th April 2019.



DEPARTMENTAL ACTIVITY

Social activity (Swachhta Abhiyan) by faculty

Social activity (Panlot) by SE and TE students at "Gram Panchayat, Talashet" dated 5th February 2019.

Department of Applied science & Humanities

"The first step towards the success is the willingness to listen that develops practical approach, personality & communications skills to be good technocrats."

Dr. A.V. Sakhare
HOD

Department of Applied Sciences & Humanities offers Applied Sciences and Humanities Courses as prescribed by the curriculum of the University in the 1st year of engineering programme. So, there is a strong need to build a strong foundation for the prospective and promising Engineers. Our Department is backed by well-educated, talented and dedicated faculty members to fulfill this task. In addition to the primary teaching duties discharged by them, many of them have their publications in National as well as International Journals of repute for attaining perfection in their profession. The subjects taught by teachers of this department are of prime importance for all round growth and development of students. Teachers are always ready to guide their students whenever they are being approached.

ACHIEVEMENTS OF DEPARTMENTS

Prof. Dr. A. V. Sakhare awarded Ph.D. degree in English by Dr. Babasaheb Ambedkar Marathwada University, Aurangabad.

DEPARTMENTAL ACTIVITY

Study Material (Concepts, formulas, University paper solution)
Lab Manuals (Experiments details, Diagram, Observation & Discussion)
Tutorials Mathematics & Graphics

सामाजिक बांधिलकीचे विद्यार्थ्यांनी रक्तदानांतून केले जतन

तळे, २९ मार्च (वार्ताहर)- म्हात्रे, ओंकार भारिया, श्रीनाथ भोसले तरुणाईकडे आज समाज वेगळ्या या सर्व विद्यार्थ्यांनी खूप परिश्रम दृष्टीने पाहत आहे. देशाचा घेतले. शेवटी प्राचार्य एन.व्ही. पाटील आधारस्तंभ म्हणून तरुण वर्गाकडे यांनी शिबीर यशस्वीपणे पार पाहात असताना देश सेवेसाठी आपली पडल्याबद्दल सर्वांचा धन्यवाद दिले.

जी.एम.वेदक कॉलेजमध्ये महिला दिन

तळे, १० मार्च (वार्ताहर)- येथील जी.एम. वेदक इंजिनिअरींग कॉलेजमध्ये ८ मार्च हा जागतिक महिला दिन मोठ्या उत्साहात साजरा झाला. महिलांबद्दल सन्मान, आदर बाळगला पाहिजे, महिलांची सर्वतोपरि प्रगती होणे म्हणजे महिला दिन साजरा खऱ्या अर्थाने केला, असे विचार प्राचार्य विलास शेळके यांनी व्यक्त केले. तर प्रत्येक स्त्री-पुरुषाला समान वागणूक असली पाहिजे. पती व पत्नी हे सायकलची दोन चाके आहेत. पुढील चाक पती तर मागील चाक पत्नी असते. मागील चाकाशिवाय सायकल चालू शकत नाही. तेव्हा पत्नीचे सहकार्य जीवनात अत्यंत महत्वाचे असते. तरच कुटुंबाची प्रगती होऊ शकते, असे मत रजिस्ट्रार विश्वास क्षिरसागर यांनी व्यक्त केले.
