Approved by AICTE, Recognized by Govt. of Maharashtra & Affiliated to University of Mumbai. Institute code : EN J447

## DEPARTMENT OF COMPUTER ENGINEERING

Academic Year 2020-21 (FII 2021)

### Practical Plan cum Execution

Name Of Practical in Charge : MR. RAGHIVENDRA SINGH

Year : TE Sem : VI Batch : T1 Subject : Software Engineering (CSC601)

Lab Teaching Scheme : Practical - 2 Hrs per Week

Lab Examination Scheme : Practical - 10 Marks Termwork - 25 Marks Oral Exam - 25 Marks

DURATION	2 Hrs			
Practical No	Experiment Title	Planned Date	Conducted Date	Submission Date/ Signed Date
Provide effective feedback, guidance and assistance				
1	Prepare detailed statement of problem for the selected / allotted mini project and identify suitable process model for the same with justification.	02-02-2021	2/2/21	16/2/21
2	Develop Software Requirement Specification (SRS) document in IEEE format for the project.	16-02-2021	16/2/21	23/2/21
3	Use project management tool to prepare schedule for the project.	23-02-2021	23/2/21	9/3/21
4	Prepare RMMM plan for the project.	09-03-2021	9/3/21	23/3/21
5	Identify scenarios & develop UML Use case and Class Diagram for the project.	23-03-2021	23/3/21	30/3/21
6	Draw DFD (upto 2 levels) and prepare Data Dictionary for the project.	30-03-2021	30/3/21	6/4/21
7	Develop Activity / State Transition diagram for the project.	06-04-2021	6/4/21	20/4/21
8	Develop Sequence and Collaboration diagram for the project.	20-04-2021	20/4/21	4/5/21
9	Change specification and make different versions using any SCM Tool.	04-05-2021	4/5/21	18/5/21
10	Develop test cases for the project using white box testing	18-05-2021	18/5/21	19/5/21
 Practical in Charge		Class Coordinator		 HOD

**Industrial Visit**

**At**

**Clariant Chemicals India ltd, Roha**

Industrial visit was conducted for final year (B.E.) Mechanical engineering students to Clariant Chemicals India ltd, Roha on 19<sup>th</sup> October 2019. This industrial visit was found to be very helpful for the students to upgrade the knowledge of the corresponding subject. The visit has been attended by three faculty members along with B.E Mechanical students.

Mr. Parag Phukane (CSR) addressed the company and also discussed about the company details, its plants at different location throughout the world and also discussed the different products of the company during this introductory session.

Clariant Chemicals India Ltd, Roha is a Switzerland-based specialty chemicals manufacturing company. The India office is headquartered in Thane. It also largest producer of Pigments, Textile Chemicals & Leather Chemicals in India. The main business activity of Clariant Chemicals (India) involves manufacture of specialty chemicals for domestic and industrial use. It manufactures and markets textiles, leather, paints, plastic, printing inks, and agrochemicals products in India. It has presence in many international markets.

At the start, all the students and faculties were given excellent hospitality by the company. After introductory speech of Parag Sir, field visit was started at around 10am in three groups with one faculty each. During the visit students understood Shopfloor, Inventory, machine workshop, Operation plant and Utility section of the Industry in detail by Company employee. It was really one of the best practical knowledge gaining visit in life of students.

## Declaration by Individual

Date: 19 / 10 / 2019

To,

Site Head,

Clariant Chemicals India Limited, Roha Works

Respected Sir,

I am studying in (name of course) Mechanical Engg I/ II/ III/ IV ☒ year in (name of college) G.M.V.I.T, Talga. As a part of my educational curriculum, today I am visiting your factory for Industrial Visit. I am not having any health issues and do not taking any kind of medicines. While during the site tour inside the factory premises, I will use full-time all applicable Personal Protective / Safety Equipment (PPE's) and shall adhere to the company safety guidelines.

If I will have any medical problem or any kind of incident/accident during the visit inside the factory premises, I would be solely responsible for it.

Thanking you,

Yours Sincerely,

## Sub: Permission for Industrial Visit

Respected Sir,

I am writing this letter to seek your permission to conduct an **Industrial Visit** to your company, **Unichem Pvt Ltd**. In the regards, we, **Mechanical Engineering Department** are planning visit with Maximum **22** students of Final Year (B.E.) accompanied by **01** faculty member to your esteemed industry on **16<sup>th</sup> March 2019** at **2.00pm**. We have planned this industry visit for our Final Year (BE) students in order to give them an insight about the way things work in the real life scenario. We intend to take a round of the entire industry and show the tasks handled in different departments to our students.

We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during the visit. We shall be grateful for a favorable reply.

Thanking You,

Yours Sincerely,

  
TPO Head (Mech. Engg.)

## Undertaking for Industrial Visit

Date: - 16/03/2019

To,  
The Principal,  
GMVIT, Tala,  
Raigad.

Respected Sir,

We, the students of Final year **Mechanical Engineering** going for the industrial visit arranged at **UNICHEM LABORATORIES LTD. Dhatav** on **16 March 2019**. We are declaring that we will be present for the visit on a given time also we are back to our place at our own responsibility.

We know that during the Industrial Visit if anyone of us misbehave or not obeys the rules of institute or the industrial organization then concern or group will be punished for that and there will not be any complaints from our side. This information is also known to our parents.

Thanking You.

### **Industrial Visit**

At

### **Unichem Laboratories Ltd, Roha**

Industrial visit was conducted for final year (B.E.) Mechanical engineering students to Unichem Laboratories Ltd, Roha on 16<sup>th</sup> March 2019. This industrial visit was found to be very helpful for the students to upgrade the knowledge of the corresponding subject. The visit has been attended by one faculty member along with B.E Mechanical students.

Mr. Sanil Bhisekar (HR Manager) addressed the company and also discussed about the company details, its plants at different location throughout the world and also discussed the different products of the company during this introductory session.

#### **About the Company**

In 1976, Unichem embarked on a project to set up its first API manufacturing facility for Metronidazole. The Roha Plant is Unichem's flagship API plant. It is situated 150 km from Mumbai in Roha MIDC, Raigad. Over the last four decades, the plant has expanded to eight multipurpose production blocks. This unit has the capacity to execute a wide range of processes and operations such as ethoxylation, halogenation, hydrogenation, nitration and sulphonation.

The Roha Plant:

- Has technological competence to handle difficult molecules.
- Is equipped to supply quality products that fulfill the stringent requirements of all major regulatory authorities and customers.
- Houses an effluent treatment plant designed to meet all statutory discharge norms with a discharge capacity of 190 cum.

ACADEMIC YEAR-2017-18 (Second Half 2017)

**Department of Mechanical Engineering**

---

### **A Report on Technical Skill Development Seminar**

---

#### **Date and Venue**

The seminar on Technical Skill Development took place on 10<sup>th</sup> August 2017 at the seminar hall, Building I, G.M. Vedak Institute of Tehnology, Tala. The training team arrived at the venue on the same day of seminar.

#### **Training Team**

The members of the training team were,  
Mr. Sandip Khandekar, (Manager, S. K. Technical Solutions.)  
Mr. Pratik (Trainer)

#### **Workshop Co-ordinator**

Prof. A. A. Khot

#### **Participants**

The seminar was attended for all the students of T.E. Mechanical and B.E. Mechanical.

#### **Topic Covered:**

The seminar was arranged for the students of mechanical engineering department under technical skill development activity. The main objective of the seminar was to discuss the importance of technical skill development. The area covered in seminar was CAD/CAM/CAE. The speaker highlighted the importance of soft skill. He focused on CAD/CAM/CAE field. He mentioned the importance of having the knowledge of CAD/CAM/ CAE softwares. He explained CAD/CAM/CAE area and offered the following courses for our students: CATIA, Hypermesh, Ansys, CNC Training.

Out of above mentioned softwares we have started the CATIA course by taking the students demand into consideration from 23/09/2017 to 15/10/2017. Total 18 students have registered for the course.

### **Detailed information about CATIA Course:**

CATIA enables the creation of 3D parts, from 3D sketches, sheet metal composite, molded, forged or tooling parts up to the definition of mechanical assemblies. The software provides advanced technologies for mechanical surfacing. It provides tools to complete product definition, including functional tolerances as well as kinematics definition. CATIA provides a wide range of applications for tooling design, for both generic tooling and mold & die.

CATIA offers a solution to shape design, styling, surfacing workflow and visualization to create, modify, and validate complex innovative shapes from industrial design to Class-A surfacing with the ICEM surfacing technologies. CATIA supports multiple stages of product design whether started from scratch or from 2D sketches.

Various modules contains are as follows:

- Introduction to the catia v5 modeling process.
- Understand the catia interface.
- Sketcher
- Part design
- Assembly design
- Generative Drafting

### **Outcomes of the Training-Workshop:**

- Awareness among the students about the need of soft skills for engineering students
- After completing the CATIA Training course students will get good knowledge of CATIA software which will be useful for them for their future growth.

**Subject:** Invitation as a resource person for the seminar on "Technical Skill Development" at  
G. M. Vedak Institute of Technology, Tala

Respected S. S. Khandekar Sir

The Mechanical Engineering Department of our college frequently organizes seminars to enhance the students' knowledge. As a part of this activity, we have decided to organize a seminar on "Technical Skill Development" in which students will be made aware of topics such as Computer Aided Design, Computer Aided Manufacturing and Computer Aided Engineering and different software courses available.

We take the pleasure to invite you as a resource person for this seminar. We would be delighted if you accept this invitation and share your expertise with our students. Such guidance from an eminent personality such as you is especially valuable to our students. The date of the seminar is Thursday 10<sup>th</sup> August 2017 from 2.00 pm to 4.45 pm.

Thanking you in anticipation,

Yours sincerely

Subject: Letter of Appreciation

Respected S. S. Khandekar Sir

On behalf of the students, faculty members and staff of Mechanical Engineering Department I would like to thank you for conducting an illuminating session in which you shared your experiences with our students, guided them about CAD/CAM/CAE Courses and enhanced their skills. Our students have benefited from these sessions. I hope to receive the same cooperation from you in future.

Thanking you once again.

Yours sincerely.

Subject: About getting permission to organize Training Program on "Interview Process".

Respected Sir,

In today's employment world, it is more important than ever to have strong interviewing skills. The most common reason for this is that college graduation rates are increasing and you will be leaving college with more competition. If you fail at your interview or fail to make a good impression it could cost you an opportunity. And for the same; to develop interview skills, we would like to organize a **Training Program** on "**Interview Process**" for last year (B.E.) Mechanical students on 29<sup>th</sup> March (Evening Session) and 30<sup>th</sup> March 2019 (Morning Session). This Program will be conducted by Mr. Vijay Deshpande. For conducting program, following things are required,

- i) College seminar hall for Evening session (After 1.00pm) on 29 Mar 2019 and Full Day on 30 March 2019
- ii) LCD projector
- iii) College mike and Sound system
- iv) Podium
- v) Generator Service (When electricity is not available)
- vi) Breakfast, Lunch, Dinner to 01 to 2 trainers
- vii) Guest House for 01 night on 29 Mar 2019

Thanking you.

Yours' faithfully,

Prof. S.M. Kamat

Respected Sir,

On behalf of Mechanical Engineering Department, I would like to cordially invite you to our college GMVIT, Tala on 29<sup>th</sup> and 30<sup>th</sup> March 2019 for **Training Program on Interview Process** to our departmental students.

Sir, I am sure that our students would be benefitted by your expertise and experience as I am aware of your great contribution to this field of work.

Looking forward for a continual and progressive interaction. Waiting for your reply.

Thanking you.

## Vijay Deshpande

Vijay Deshpande, backed by more than 30 years of Core HR experience from a diverse, multi sector industry; holds a Master's Degree in HR from Mumbai University (MLS) and is also a Post Graduate Diploma holder in HR Management from NMIMS, Mumbai, India.

Mr Vijay Deshpande, in the various Senior HR Roles, has worked with top notch MNCs like Skoda Auto India, Coca-Cola, GlaxoSmithKline Pharmaceuticals, Owens-Corning, Clariant India, ASB International and Tata Steels Ltd (Tata SSL) etc; to name a few.

Lastly, his major Corporate assignment was with Automobile Company, Skoda Auto India, where he was the Director HR and Member of Board.

Since 2015, Vijay Deshpande is actively providing HR, ER and IR Consultancy to Corporates, Academics and large size HR Networking platforms.

His Recent Industry Honors and Acknowledgements are:

- 'Top 50 HR Leaders' Award by CHRO Asia and World HRD Congress 2018
- 'Most Influential HR Leaders in India'' by World HRD Congress 2017

He has Accreditations and Association from across the globe:

- Senn Delaney, California, USA, Certified Quality Leadership Excellence Trainer
- He is a Franklin Covey Certified Brain based Results Coach
- Noble Manhattan, UK, Certified Managerial Coach.
- SHL, UK, Certified Occupational Personality Assessor (OPQ32r).

He brings with him a very hands-on perspective and transferable knowledge on most of the Contemporary HR, ER and IR domain and has proven capability to provide strategic inputs on management of current and futuristic challenges and threats faced by the Businesses, Society and Corporate HR Functions in general during this VUCA times.

Mr. Deshpande is also a strong exponent of **'Managing High Performance Organizations through Strength Based Approach and driving Supervisor less Organizations through Self Directed Teams (SDTs)'** for educated workforce.

He has special interest in developing and deploying Learning and Development Modules through Application of REBT (Rational Emotive Behavioral Therapy) to drive Business HR Outcomes.

Subject: Proposal for Travelling Allowances for Training Program.

Respected Sir,

We, Mechanical Engineering Department organized Training program on Interview Process. Program fee was Rs10,000/- which will be given by Mechanical Department and travelling allowance is Rs 2,500/-. I request you to please pay the travelling allowance so the total remuneration Rs 12,500/- can be paid. This professional training program helped the students lot to improve their soft skill and ultimately will help them to place in some reputed industries.

So we look forward to your kind cooperation in our attempt and requested to kindly approve this proposal for travelling allowances.

Thanking you.

Yours' faithfully

To,

Mr. Vijay Deshpande

CEO and Founder,

People Sciences.

Dear Sir,

We would like to extend our warm thanks to you for conducting a training program on "**Interview Process**". The valuable information shared by you has inspired our students and faculties.

We sincerely thank for the support and the valuable time given by you and we hope that you would continue to extend your support in our future initiatives as well.

Thanking You.

## **Training Program**

On

**“Interview Process”**

By

**Mr. Vijay Deshpande**

(CEO and Founder of ‘People Sciences’)

Interview proves important because it connects both the employers as well as job seekers. It assists employers in selecting a right person for a right job. All candidates may have equally impressive qualifications however it is the candidate who knows what to say and how to say it in the interview will win the job. The ability to do this successfully can be learned through interview skill training. Interview skills training will teach you how to communicate in the interview, how to sell yourself and how to convince the interviewer that you are the best person for the job. Keeping this in mind, a **Training Program on Interview Process** was organized by **Training and Placement cell of Mechanical Engineering Department** for **B.E.Mechanical Engineering students** in two session. The first session was held on 29<sup>th</sup> March 2019 (3.30pm to 8.30pm) in seminar hall of G.M.Vedak Institute of Technology, Tala for the first batch of students from the class. The second session was held on 30<sup>th</sup> March 2019 (12.00pm to 5.00pm) in conference room for remaining students. The main objective of the Program was to give training to the students on different aspects of interview i.e. resume building, presentation skills, different interview techniques. The training was given by **Mr. Vijay Deshpande, CEO and Founder of ‘People Sciences’**.

**Deshpande Sir welcomed by Principal Sir and Mechanical faculties**

The Program started with welcome address by **Prof. Minendra Surve** and was followed by felicitation of the trainer by the **Principal Dr. D.N.Jaiswal**. Prof.Surve gave concept note of the program and requested Deshpande Sir for the first session of training.

At the beginning, Deshpande Sir asked some students for introduction and took overview of the present skills of students and later asked the participants about their expectation from the training session. Deshpande Sir started with the difference between Resume, Curriculum Vitae and Biodata. He taught the students how to give general introduction, what is the difference between right answer and correct answer, how to be specific in interview. He discussed about the importance of attitude and behavior in interview as well as in life. Student got actual training and tips on great handshakes. Students were called upon stage in pair for practicing self-introduction, hand shake assuming they are interviewer and candidate. Mistakes were identified and repaired by the trainer at that moment.

In the next segment, one of the participants asked about how to identify strength and weakness. Sir explained in detail about the same and advised to read "Know your strength" by GALLUP. Everybody has unique strength. We must believe in our strength and should not waste time around weaknesses. Next to it, Trainer clears the doubt about salary expectation, dressing sense, gesture, and posture.

**Deshpande Sir counseling the students on Interview Process**

**Students listening Motivational Video during Session**

**Deshpande sir showing the topics covered during the training session**

**Some on hand training for BE mechanical students**

**BE Mechanical Students along with Trainer and faculties**

In the final segment of first session, Deshpande Sir asked the students to present any topic and recorded the same. Then video recording was played, examined and detailed analysis of body language, quality of voice, confidence level was offered to many participants. It was the most important and thrilled part of the training for all. After training on presentation skills, Deshpande Sir verified whether all the expectation of the students fulfilled or not. At the end of session, participants thanked the trainer for teaching very essential life skills.

On the next day, session started at 12.00pm and was again full of interview techniques as in first session. Participants cleared all their doubts regarding interview. The session was followed by participants feedback. The session ended with a vote of thanks by **event coordinator Prof. Siddhesh Kamat**. He thanked the trainer for giving the valuable guidance and training to the students. He expressed gratitude to all for their contributions. Total 44 students from BE Mechanical class attended the program.

# NATIONAL PROGRAMME ON TECHNOLOGY ENHANCED LEARNING

A JOINT VENTURE OF INDIAN INSTITUTE OF TECHNOLOGY & INDIAN INSTITUTE OF SCIENCE

## NPTEL

2019-01-10

To  
The Principal  
G.M. VEDAK INSTITUTE OF TECHNOLOGY  
G.M. VEDAK INSTITUTE OF TECHNOLOGY,  
TALA S.O (RAIGARH(MH)),  
TALA  
RAIGARH(MH),  
MAHARASHTRA,  
Sir/Madam,

Sub: Establishing SWAYAM NPTEL Local Chapter in your college

Greetings from the NPTEL office.

This is to acknowledge the receipt of your letter accepting to host SWAYAM NPTEL Local Chapter in your institution.

The Single Point of Contact (SPOC) nominated from your college is

Name of SPOC: MR. PANKAJ RAMAKANT KUNEKAR  
Designation: HOD AND ASSISTANT PROFESSOR  
Department: COMPUTER ENGINEERING  
Contact No(s): 9075879342  
E-mail id: kunekarpankaj30@gmail.com

We wish to inform you that all future correspondence related to NPTEL contents and online courses will be made to the afore-mentioned SPOC. He/she will be routinely updated with all the latest NPTEL initiatives which then may be circulated among the students.

We are also happy to share that a dedicated SWAYAM NPTEL Local Chapter web page is being created and your institution will have a separate page on it (<http://nptel.ac.in/LocalChapter>).

Thanking you.

Sincerely

Prof. Andrew Thangaraj  
NPTEL Coordinator  
IIT MADRAS
