INTRODUCTION

Physical Education and cultural event are an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e. the achievement of holistic development. Cultural and Sports play a vital role in the student's life. A student should study hard to be successful in competitive examinations. But, he should also play Cultural and sports to enjoy the health and vigour of life. Along with bookish learning, a student should spend his time on Cultural and sports also. Either study or work alone makes us exhaust. We remain no longer efficient to do any work. Sports and Cultural events remove our mental exhaustion. Education without sports and Cultural is incomplete.

It strives to excel at all levels and bring laurels to the college. With the help of college faculty, we are continuously improving in sports field. Considering the concept of "EXPLORICA" throughout the entire session we organized Inter-department tournaments for students as well as some sports activities with Cultural Activities for staff (teaching and non-teaching). It is one of the largest co-curricular activity programs that offer an extensive opportunity to all the students and staff. This venture shall enable the students and staff to have fun, learn new sports, enhance social interaction and tests one's physical capability. These competitions also offer a break from the daily routine tasks and recreate ore-energetic them.

Dr. Babasaheb Ambedkar's 126th Birth Anniversary

Program: Dr. Babasaheb Ambedkar Jayanti

Date: 14th April 2017

Venue: Seminar Hall, Main-Building

Ambedkar Jayanti or Bheem Jayanti is an annual festival observed on 14th April to commemorate the memory of Dr. B. R. Ambedkar. It marks his Birthday in 1891 and is a public holiday throughout India. It has been declared as public holiday under Negotiable Instruments Act, 1881, on 19th March 2015, by Ministry of Personnel, Public Grievance and Pensions.

Objectives of Program:

1. To celebrate 126th Birth Anniversary of Dr. B. R. Ambedkar.
2. To share some thoughts of Dr. Babasaheb Ambedkar by arranging Essay Writing Competition.
3. To Share Dr. Babasaheb Ambedkar's achievements and motivate students.

In G.M.V.I.T College Tala, We have celebrated Dr. Babasaheb Ambedkar's 126th Anniversary. All Teaching, Non-teaching Faculties and students were present for the event.

Program was well organized by Committee members. Prof. S. S. Kasare from department of Computer Engineering has done the anchoring job.

Program is inaugurated by our respected Principal, Dean, and Exam Coordinator by offering garlands to Dr. Babasaheb Ambedkar.

Outcome of Program:

1. To enlighten the awareness of the valuable contribution made by Dr. B. R. Ambedkar.
2. To inform about his agitation and dedication for Social welfare.
3. Importance of education, dedication to work and his contribution for Economic growth.

SHRI GORPATI MAHARAJA JYOTI PRATISHTHAN

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION ENGINEERING

ASSET ((Association of students & Staff of Electronics & Telecommunication Engineering))

The ASSET (Association of students & Staff of Electronics & Telecommunication Engineering) Student Forum was created in 2013, under the guidance of our Principal, Dr. M.M Mulkuterkar. The "ASSET" is an Association run by and for the students of Department of Electronics & Telecommunication engineering.

The name ASSET is suggested by Mr. Manas Jomraj student of BE EXTC and accepted by HOD and all faculties of the department. The Logo for ASSET is designed by Mr. Rupesh Student of BE EXT

Vision

Vision aims to maintain the high level of interaction between the all students of FE,SE,TE,BE and the faculty members. To organize technical sessions, workshops, extra co-curricular college level activities and to assist in managing the resources and labs of the department.

Mission

Contribute to development of student community in educational and cultural evaluation.

Main Objectives of Forum

- To plan and organize technical programs and activities, such as, special lectures, workshops, seminars, exhibitions etc for the benefit of student members on a regular basis.
- To provide a common platform for the student members to exchange ideas and information on the topics of their interest
- To facilitate technical visits ;

- To encourage team work and the spirit of self-reliance among the student members;
- To bring holistic development of students of the EXTC Department through technical and cultural events.
- To increase their exposure to the professional world.
- To organize Intra-department technical and non-technical competitions.
- To represent student opinion.
- To promote social, cultural and religious activities.
- To raise funds for the college.

About ASSET

Main Objectives of ASSET Forum

To conduct workshops, seminars, industrial visits and specialized engineering training to meet the current and emerging needs of the society..

To support students in applying creative thinking and design techniques to interdisciplinary design processes based on mechanical engineering

To increase communication skill of the students so that they can share their ideas with others and to cooperate, thus establishing the leadership to manage the organization effectively .

To enhance their open-minds and positively critic spirits to recognize social and ethical responsibilities for what they have researched and developed.

To acknowledge international role of engineers in the global society, and develop the leadership for industrial, academic and research institutes. To develop, through leadership, a more knowledgeable, assertive and concerned student body. To enhance communication among students, faculty, staff and administration.

The Training-Workshop

CATIA enables the creation of 3D parts, from 3D sketches, sheetmetal, composites, molded, forged or tooling parts up to the definition of mechanical assemblies. The software provides advanced technologies for mechanical surfacing & BIW. It provides tools to complete product definition, including functional tolerances as well as kinematics definition. CATIA provides a wide range of applications for tooling design, for both generic tooling and mold & die.

CATIA offers a solution to shape design, styling, surfacing workflow and visualization to create, modify, and validate complex innovative shapes from industrial design to Class-A surfacing with the ICEM surfacing technologies. CATIA supports multiple stages of product design whether started from scratch or from 2D sketches.

Various modules contains are as follows:

- Introduction to the catia v5 modeling process.
- Understand the catia interface.
- Sketcher
- Part design
- Assembly design
- Generative Drafting

MECHANICAL ENGINEERING STUDENTS ASSOCIATION (MESA)

Date: 04/10/2019

To,

The Principal

G. M. Vedak Institute of Technology, Tala (Raigad).

Subject: Regarding undertaking for the Raigad Trekking

Respected Sir,

We the student of **MECHANICAL DEPARTMENT**, requesting here, with reference to above mentioned subject. We want to go for one day Raigad trekking with faculties of Mechanical Engineering. This trekking tour will help us to rejuvenate our energy. Also we want to carry out the cleaning drive at Fort. Hence we have planned this tour on 05/10/2019.

So we feel that this tour will be helpful for us. Its our total responsibility to take care of ourselves & our friends. We are ready to pay the required expenditure to arrange the tour. We assure that, we will not misbehave at the visit place because of which the reputation of our college will be wrong & will maintain the discipline & obey the instructions given by the accompanied faculties & concerned organization. We will not hold the department & the institute responsible for any untoward incidence during the visit. We will help for the smooth conduction of visit & not violate the rules & regulations.

We hope that you will kindly consider our request & allow us for the same.

Thanking You,

Sincerely,

Mechanical Department Students

RAIGAD TREKKING

Date of the Trekking: 1st September 2018

Day : Saturday

Class : SE, TE, BE Mechanical

On 1st September 2018, Saturday the department of mechanical engineering, GMVIT, Tala has organised its first trek in the year 2018-19 to Raigad Fort. Team has started the registrations for the trek on 20th August 2018. A huge response was there from student's side for the trek..

On September 1, 2018 morning, students had reported at 7 am in college parking as they were told. By 7.30 am bus has left the college by taking 42 students and 5 faculties. We reached near the fort at 9 am and we started the trek at 9.30 am. It took around 2 hours to reach the top. During the trek students enjoyed the monsoon rain and waterfalls. On reaching the Raigad fort we hired one guide to give historic information of the fort. The points covered on Raigad fort are- Rani mahal, Hatti talav , Food Storage tanks,, Temple, Takmak tok , Samadhi.

After completing the sightseeing we headed for launch which was arranged by local people the special menu-zunka bhakar. After launch we stayed there for half an hour for rest and then we started the return journey. At around 5 pm we returned to the bus and around 8 pm we reached to college

All faculties and students from mechanical Engineering department enjoyed lot during this trekking. This is one of the memorable trekking had done by mechanical Engineering department.

DEPARTMENT OF CIVIL ENGINEERING

CESA (Civil Engineering Association of students)

Civil Engineering Student Association is an organization formed by the students which works for the students. The basic aim of CESA is to enrich students with different qualities to add dimensions to their personality so that every student emerges as multi-functional engineer who is globally recognized. CESA was established in the Academic year 2014-2015. The objective of CESA is to mould one's personality in such a way that one becomes equally competent in all streams of engineering. In the recent years CESA has been working hard to press the students towards the zenith of developing them in an all-round fashion and in years to come, it shall be consistent but with lateral improvements.

The governing body is formed of the students. The president of CESA is the head of the Department, with a Staff Advisor and Co-In charge of CESA, while bright and dynamic students are selected for the post of President, Vice-President, and Treasurer by interviewing them. Executive Members (one from each division), and Ladies Representatives (one from each class) are selected by each class

LOGO:

Vision

Vision aims to maintain the high level of interaction between the all students of FE, SE, TE, BE and the faculty members. To organize technical sessions, workshops, extra co-curricular college level activities and to assist in managing the resources and labs of the department.

Mission

To build a pool of trained and dedicated professionals who can contribute to the development of policies, measures and planning programmes for sustainable development..

Main Objectives of Forum

- Provides a platform for the students of the Dept. to exhibit their talents.
- Organizes various programs for the overall personality development of students

Forum Name Change

By keeping same objective of ASCI in mind the forum is renamed as "SWACE" ("Student Welfare Association of Computer Engineering").

The name **SWACE** is suggested by Mast. Ritesh Gandhi student of BE Comp and accepted by HOD and all faculties of the department. The Logo for SWACE is designed by Mast. Om Belose Student of SE computer

Logo:

Vision

Vision aims to maintain the high level of interaction between the all students of FE, SE, TE, BE and the faculty members. To organize technical sessions, workshops, extra co-curricular college level activities and to assist in managing the resources and labs of the department.

Mission

Contribute to development of student community in educational and cultural evaluation.

Main Objectives of Forum

- To plan and organize technical programmes and activities, such as, special lectures, workshops, seminars, exhibitions etc for the benefit of student members on a regular basis.
- To provide a common platform for the student members to exchange ideas and information on the topics of their interest
- To facilitate technical visits ;
- To encourage team work and the spirit of self-reliance among the student members;
- To bring holistic development of students of the CE Department through technical and cultural events.
- To increase their exposure to the professional world.

Program: Engineer's day Celebration

Date: 16th Sep 2019

Venue: Seminar Hall

Engineers are professionals who invent, design, analyze, build, and test machines, systems, structures and materials to fulfill objectives and requirements while considering the limitations imposed by practicality, regulation, safety, and cost.

The work of engineers forms the link between scientific discoveries and their subsequent applications to human and business needs and quality of life

In India, we celebrate Engineer's Day on September 15, as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya. Also known as Sir MV, was born in 1861 in Muddenahalli village in Karnataka, which has been coined as Engineer's Day in India.

Objectives of Program:

- To acknowledge importance of engineers in the world
- To motivate the innovative minds of students.
- To make sure that students implement their ideas and develop themselves.
- To enlighten valuable significance of Sir Mokshagundam Visvesvaraya among students.

Program: Kargil Vijay Diwas

Date: 26 July 2019

Venue: Dome (Main Building)

Kargil Vijay Diwas, named after the successful Operation Vijay, is celebrated in India on 26 July. On this date in 1999, India successfully took command of the high outposts which had been lost to Pakistan. The Kargil war was fought for more than 60 days, ended on 26 July and resulted in loss of life on both the sides. The war ended with India regaining control of all the previously held territory, hence re-establishing the outposts previously lost to Pakistan.

The Government of India responded with Operation Vijay, a mobilization of 200,000 Indian troops. The war came to an official end on July 26, 1999, thus marking it as Kargil Vijay Diwas.

527 soldiers from Indian Armed Forces lost their lives during the war.

Objectives of the Program:

- To honor Indian Soldiers who sacrificed their lives for country's well-being.
- To celebrate and cherish the victory of Operation Vijay.
- Making students aware of hardships that Indian Army and their family goes through.

Venue: F-10, Old-Building

Date: 17 July, 2019.

Time: 11.30 A.M to 12.30 P.M

Teachers have an influencing role in the life of every student. They are like beacons of light, guiding us in the formative years of our life. Teachers mold us and in the process and shape our future. What we learn from our teachers remains with us, throughout our life. However, very often, we fail to show our appreciation and gratitude for their altruistic devotion. Teachers do need encouragement and support from the community to feel that their efforts are being recognized. By celebrating Guru Poonima, we thank our teachers for providing us their invaluable guidance.

Objectives Of The Program:

1. By celebrating Guru Poonima, we thank our teachers for providing us their invaluable guidance.
2. To honor teachers because they deserve to be honored
3. Celebrate the role played by teachers in community up-liftment.
4. Recognize the central role teachers play in nurturing and guiding infants, children, youth and adults through the lifelong learning process.
5. This special day provides a unique opportunity for the Department to publicly acknowledge and to promote the invaluable contribution made by teachers
6. At a state and national level, Guru Poonima recognizes and celebrates teachers as learners "embarking on journeys of professional learning today that inspire and energize students now and into the future."
7. To respect the teachers as they play a very important role in your personality and career building.

Guru Purnima is a spiritual tradition dedicated to spiritual and academic teachers, who are evolved or enlightened humans, ready to share their wisdom, with very little or no monetary expectation, based on Karma Yoga. It is celebrated as a festival in Nepal, India and Bhutan. This festival is traditionally observed to revere chosen spiritual teachers / leaders and express gratitude. The festival is celebrated on the full moon day (Purnima) in the Hindu month of Ashadha (June–July) as it is known in the Hindu calendar of India and Nepal. The festival was revived by Mahatma Gandhi to pay tribute to his spiritual guru Shrimad Rajchandra.

The word Guru is derived from two words, *gu* and *ru*. The Sanskrit root *gu* means darkness or ignorance, and *ru* denotes the remover of that darkness. Therefore, a Guru is one who removes the darkness of our ignorance. Gurus are believed by many to be the most necessary part of life. On this day, disciples offer pooja or pay respect to their Guru. In addition to having religious importance, this festival has great importance for Indian academics and scholars. Indian academics celebrate this day by thanking their teachers as well as remembering past teachers and scholars.

Teachers Day in GMVIT was celebrated on 17 July. All the Staff members had a great day, it was celebrated in F10 classroom. The Teachers gathered at the venue at 11.30 AM.

INTERNAL COMPLAINS COMMITTEE (ICC)

In response to the **Vishaka Judgment** passed by the Supreme Court in 1997, the University of Mumbai set up the 'University Women Development Cell (UWDC)' in 2001 with the key purpose of making the University a gender-sensitive space. The University also directed all its affiliated colleges to set up a 'Women Development Cell' at college level.

In compliance of this directive of the University, the Women Development Cell of G. M. Vedak Institute of Technology (GMVIT), was set up in the year 2017 under the chairmanship of Ms. (Prof.) Kadambari Ritesh Metha. It is an active committee comprising of staff members and students of GMVIT, and functions with an aim to prevent sexual harassment, promote well-being of all the female students and staff members and create a gender sensitized community within campus as well as in the society.

According to the Supreme Court of India, the following constitutes sexual harassment:

- Physical contact and advances
- A demand or request for sexual favors
- Sexually colored remarks
- Showing pornography
- Any other unwelcome physical, verbal, or non-verbal conduct of sexual nature.
