

Criteria 1 - Curricular Aspects

Key Indicator 1.1- Curriculum Planning and Implementation

1.1.3 - Teachers of the Institution participate in following activities related to curriculum development and assessment of the affiliating University and/are represented on the following academic bodies during the last five years

DVV Query

1. Provide nomination letter from their Affiliating University / competent authority for setting of question paper for UG/PG.
2. Provide supporting document for the selected option any of the numbers 1,3 and 4 shown in 1.1.3.

DVV Response

Response to Query no. 1:

During the academic year 2019-2020, there was Corona Pandemic and therefore all the exams were conducted in online mode. And for conduction of online MCQ based exams “Cluster System” was set up by Mumbai University. Under this system, for setting MCQ based question papers, various subject in charge and subject convenors were appointed by cluster head. As there was corona pandemic, all the communications were done through email only. One of such email conversations stating appointment of subject in charge and subject convenors is attached in Section 1 of this document. Along with this, cluster college data which was sent in attachment of the email is also provided in section 1.

Response to Query no. 2:

For the metric 1.1.3 we have selected the option “Any 2 of the above”, i.e. Setting of question papers for UG/PG programs (for this point data has been provided in section 1) and Assessment /evaluation process of the affiliating University (for this point data has been provided in section 2).

We missed some data to add in provided data template of 1.1.3 metric. And therefore updated data template containing missed data has been added in the section 2. Particularly, we have added paper assessment data for the year 2017-2018 and for the same supporting documents have been provided in section 2.
