Ref: DVV Clarification for Metric level: 3.2.2

Sub: Response to DVV Clarification for Metric level: 3.2.2

3.2.2. Number of books and chapters in edited volumes/books published and papers published in national/ international conference proceedings per teacher during last five years

3.2.2.1. Total number of books and chapters in edited volumes/books published and papers in national/ international conference proceedings year-wise during last five years

Findings of DVV: 1. Please provide the photocopy of the cover page, front page and first page of the publication related to book/chapter in edited volumes

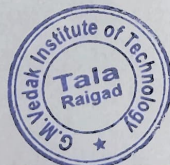

DVV Response: 1.

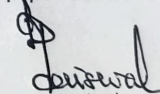

- As per DVV 1. Findings clarification -We have submitted "**papers published in national/ international conference proceedings and online Journals**" and not "**books and chapters in edited volumes/books published**". We have clearly mentioned in column "**Title of the book/chapters published**" is "**NA**"
- For year 2017-18 total 67 papers from "**Proceeding of the National Conference on Recent Innovation in Engineering 2017**" for that papers we have added the cover page, front page and first page of the publication and for all remaining papers submitted front page to last page of the papers.

Findings of DVV: 2. Please cross verify and resubmit the data as per the requirements.

DVV Response: 2.

- We have cross verified and resubmitting the data as per requirement, please refer below table with Title of the paper and corresponding column link for the supporting documents.
