Trustee

Vision of the Trust is to establish an Engineering Institute of International repute which will produce pool of industry ready quality Engineers.

Our Vision

Our Mission

The mission of the Trust is to set-up a quality Engineering Institute which will provide professional education to the aspiring students not only from the urban areas but also from the rural areas with the support and guidance from highly qualified experienced

professor and teaching staff. And delivering well-groomed competent engineers, who's shall be future ready and solution providers for the society.

- > To make our institute a center of excellence.
- > To develop degree holders for employment and an entrepreneurship.
- > To attract, to retain and develop faculty for promoting lifelong learning culture and knowledge creation.
- > To develop strategic alliance with reputed institutes to acquire knowledge in the field of emerging technologies.

Our Goals

Chairman's Message

Hon. Dr. Nandkumar G. Vedak
Chairman

Welcome to G. M. V. I. T.

Let me first congratulate the students seeking admission to our engineering degree courses and their entry into the technical world for a prosperous career. I extend my best wishes for their bright future.

G. M. V. I. T. is committed to uphold the high standard of technical education and shall not leave stone unturned in continuously implementing innovative ideas in the field of technical education and development. We assure that your stay with us will be fruitful, comfortable, enjoyable and memorable for the years to come.

Shri Unmesh N. Vedak
Secretary

Secretary's Message

Our main aim is to stimulate creative thinking and solution providing amongst the student. The Institute has been growing steadily with highly qualified faculty in keeping pace with the present trend of development in research & Industrial scenario.

The G.M.Vedak Institute of Technology has a clear vision and objective. In teaching-learning aspects, G.M.V.I.T. has established new state of art laboratories, E-library, E-learning & Wi-Fi facility in the campus and has been continuously upgrading to the latest development. We hope to inculcate a spirit of leadership and entrepreneurship amongst the students.

Principal's Message

G.M. Vedak Institute of Technology, Tala established in 2011, with the aim of providing quality technical education to the students who aspire to become skilled engineers. And it is striving to impart quality education to strengthen technical base in the country. The institute recognized the need of the hour and setup strong institution to educate the youth, to make them aware of the rights as well as what they can be and what they can do for the nation. It is a fast growing technical institution in the Kokan region. At G.M.V.I.T, we provide a warm, caring, stimulating and challenging environment in which our students learn and develop. We provide an environment, which enriches the intellectual, spiritual, emotional and physical development of the students in an atmosphere that is happy and nurturing.

We believe in strong Industry-Institution Interaction through expert talks, seminars, workshops, industrial projects and technical visits. We seek to inculcate a passion for learning in our students that would make them use their knowledge and skills for the betterment of the society.

The college teaching staff is selected one, highly experienced, skilled and devoted to their assigned work. The college is having well updated Library where all type of engineering course books and different magazines, Journals, E-Journal facility are available and students can update their day to day technical and general knowledge. From this facility students can also prepare for the GATE and other competitive Examination. Our staff is fully devoted and abides to make our engineering students efficient/sound/suitable and shaping their career as a better engineers of modern developing India which will be accepted at Global level.

I wish you a very happy and academically rewarding student life at G.M.V.I.T and hope that you will lay the foundation for a bright and rewarding career.

Admission Information

> Admission Information center for First Year and Direct Second year Engineering admission is available at our institute.

Courses Offered

The Institute offers the following degree engineering courses affiliated to Mumbai University

Sr No	Course	Intake	Branch Code
1	Mechanical Engineering	60	344761110
2	Civil Engineering	60	344719210
3	Computer Engineering	30	344724510

Original with two sets of attested photo copies <

- 10th (S.S.C.) Mark sheets
- H.S.C. Mark sheets*
- School/College Leaving Certificate
- MHT-CET(PCM)/ JEE(main)
- Nationality Certificate/Birth Certificate
- Passport size Photographs 5 Nos.
- Aadhar Card
- Migration Certificate*
- Cast Certificate*
- Domicile Certificate*
- Cast Validity Certificate*/Pro-form-H
- Income Certificate
- Non Creamy layer certificate*
- Gap Certificate

Documents Required

- ARC registration copy
- Cap Round Allotment copy

(* indicate if applicable)

Attention all the students and the parents / guardians is here by drawn to the relevant rules And regulations of university of Mumbai.

1. Students are required to have at least 75% attendance in the lecture of every subject and 100% performance in completion of all the practical and term-work.
2. The students who fail to comply the requirements mentioned in (1) above will be detained and hence, not permitted to appear for university examinations. Such students also stand to loose one whole year as they will have to seek admission for

Institute Rules & Regulations

In order to have the sanctity and decorum in the campus and hostels, the following rules of discipline are required to

be following by the students

1. Each students shall conduct herself/ himself, both within and outside the campus. Each students shall show due respect and courtesy to the teachers, administrators, staff of the institute, and the visitors and resident of the institute.
2. Lack of courtesy and decorum, unbecoming conduct within and outside the institute, willful damage the institute property, removal of any property belonging to the institute, disturbing fellow students in the their studies, breach of rules and regulations of the institute, adoption of unfair practices in tests, quizzes, assignments, or examinations, noisy and unruly behavior shall constitute violation of the code of conduct.
3. Students will not indulge In and Behaviour or Act that may be constituted as ragging.
4. Students may have penal and administrative action that is liable to be taken in case student found guilty of or abetting ragging, actively or passively, or being part of a conspiracy to promote ragging.
5. The institute shall constitute a committee to investigate the alleged violations of the code of conduct and make recommendations of actions on the case.

Action Against Ragging

Maharashtra prohibition of ragging Act 1999 which is in effect from 15th May 1999 has the following provisions for Action Against Ragging.

1. Ragging directly or indirectly commits, participates in, abets, or propagates ragging within or outside any education shall, on conviction, be punished with imprisonment for a term up to 2 years and / or penalty which may extend to ten thousand rupees.
2. Any students convicted of an offence of ragging shall be dismissed from the education institution and such students shall not be admitted in any other education institution for a five years from the date of order of such dismissal.

Hostel Rules & Regulations

In order to maintain discipline in hostel campus and smooth administration the students are informed to follow the following hostel rules.

1. The students have to stay in their allotted rooms only. Admissions are on first come first serve basis.
2. Guests are not allowed to stay in the hostel without prior written permission from the hostel authorities.
3. Students are not allowed to keep /use any electrical appliances, Heaters are not allowed the hostels. If found he/she will be rusticated from hostel.
4. Girls hostelry should be inside the hostel campus before it gets dark in the evening.
5. Boys hostelry should be inside the hostel campus before 7.00 pm

Department of Mechanical Engineering

“Strive for perfection in everything you do. Take the best that exist and make it better when it does not exist, design it.”

Hod.Prof.A.R.Ghadage

The department of **Mechanical Engineering** was established in 2011 and it offers four year degree course. The Department has dedicated experienced and well qualified faculty. The laboratories and workshops are well equipped with excellent training aids and modern machineries. The Department ensures quality professional educations considering the need of the industries.

Mechanical Engineering Department envisions a concept of Quality Engineering Education that will graduate mechanical Engineers who are professionally competent and highly qualified for further advance training to suit the need of society.

DEPARTMENTAL ACTIVITY

**I.C. Engine Workshop
School Bag & chappal Donation for
Adivasi students
Programme of Financial Planning
Jagatik Mahila divas celebration**

Department of Civil Engineering

“Education is that which drawn out what is best in human being. Civil Department of GMVIT is dedicated to provide the best of Civil engineering education to our students by utilizing advanced tools for effective teaching learning process.”

Hod. Prof. Mrs. Y. R.Galinde

The department of Civil Engineering was established in 2011 and it offers four year degree course. The department has dedicated experienced and well qualified faculty. The laboratories are well equipped with excellent training aids and modern equipments.

Vision of the Department is to develop skilled human power with creative and innovative ideas, technology for the betterment of individual and nation as a whole

DEPARTMENTAL ACTIVITY

**Social activity Blood donation
Road construction visit
Power generation visit
Roha cetp visit
RMC Plant Visit**

Department of Computer Engineering

“Department of computer engineering is committed to continuously improve the quality of communication by enhancing the knowledge of students. The department has well equipped computer laboratories with latest configuration and software tools. The department has well qualified and experienced staff members.”

Hod. Prof. Mrs. K. R. Metha

The Department of Computer Engineering was established in 2011 and it offers four year degree course. Department is equipped with experienced staff and high end computational laboratories with software and students will be exposed to be familiar with latest trends in the field. Vision of the Department is to be a tender in educating, creating and graduating finest engineers by investing in intellectual & human capital of each individual student.

DEPARTMENTAL ACTIVITY

**NPTEL online course by Prof K.R.Metha
Aptitude and technical test series for final
year students
2 Days workshop on internet of things by
robokart & IIT Innovation cell**

Department of Applied science & Humanities

“The first step towards the success is the willingness to listen that develops practical approach , personality & communication skills to be good technocrats “

Hod. Prof. Mr. V. D. Pathan

Department of Applied Sciences & Humanities offers Applied Sciences and Humanities Courses as prescribed by the curriculum of the University in the 1st year of engineering programme. So, there is a strong need to build a strong foundation for the prospective and promising Engineers. Our Department is backed by well-educated, talented and dedicated faculty members to fulfill this task. In addition to the primary teaching duties discharged by them, many of them have their publications in National as well as International Journals of repute for attaining perfection in their profession. The subjects taught by teachers of this department are of prime importance for all round growth and development of students. Teachers are always ready to guide their students whenever they are being approached.

DEPARTMENTAL ACTIVITY

Study Material (Concepts , Formulas ,
University paper Solution)
Lab Manual

Training & Placement

“G. M. Vedak Institute of Technology has a focused Training & Placement Cell. We strongly believe that Students and recruiting Companies /Organizations are two of our most important clients”

**Assistant Professor
RAGHVENDRA. O. SINGH
Training & Placement Officer (TPO)**
