Dear Mr. Omprakash Patil Sir,

Greetings of the day!

This is in reference to your discussion in the last week regarding conducting a Money-Management program for employees at your esteemed organisation.

It is a **No-Cost, 3-hour** guidance program called as the Way to Prosperity (WTP), which have been conducted for various large & small organisations across the country as part of their Employee Welfare programs to assist their employees in managing their Personal Finances judiciously and efficiently, which further helps the Organisations in the following manners:

1. **Reduce Attrition** – happening only due to higher pay-packets, as they will be better equipped to manage their finances within their income levels.
2. **Improve Productivity** – by allowing them to focus on work & thereby increase Productivity, as a major part of their worry – managing finances will be addressed.
3. **Reduce Expenses on Employee Hiring** – by reducing attrition of already trained and suitable employees.
4. **Focus on other Employee Welfare Programs** – as this can help reduce time, efforts and money on continuously hiring and training new employees.

We are one of the empanelled Personal Finance Experts with Way to PROSPERITY Camps a joint initiative of Professional Financial Advisors, Financial Services Industry & Prospero Financial Planning and Wealth Management and supported by NISM, BSE Investor Protection Fund and Outlook Money, to conduct Financial Awareness Camps across Organisations, Societies, Associations, Clubs and Colleges / Schools, since June 2015.

The Camps are conducted as a Non-Promotional, Non-Sales activity by the Fraternity to educate Individuals on basics for efficient Money-Management, ways to handle financial adversities, ways for living a Full-filling Life by achieving their Dreams & Goals.

Under one of your Employee Welfare benefits, we can unite to provide a valuable and enriching experience to your employees by joining in this initiative of spreading Financial Awareness to help them in living a fulfilling Life. We can conduct camp for as low as 30 employees in a batch.

To get further details on the Way to Prosperity Camps, kindly find the attached file for your perusal.

Do feel free to contact us for any clarifications / information required and the way forward to take this opportunity for having Less-Worried and More-Productive employees in your organisation.
