## Webinar on Finite Element Analysis using Ansys

---

### Date and Venue

Webinar on Finite Element Analysis using Ansys took place on 7<sup>th</sup> November 2020 on zoom platform at G.M. Vedak Institute of Tehnology, Tala. The training team conducted the webinar from Pune.

### Training Team

Mr. Tukaram Varak,  
CAE Expert,  
CAD CAM GURU Solutions Pvt Ltd Pune

### Webinar Co-ordinator

Prof. A. A. Khot

### Participants

The webinar was attended by all the students of Mechanical department.

### Topic Covered:

The webinar was arranged for the students of mechanical engineering department under technical skill development activity. The main objective of the webinar was to discuss the importance of finite element analysis in CAE. The speaker highlighted the importance of finite element analysis. He focused on engineering problems, solution approaches, philosophy and procedure of FEA, structural analysis, thermal analysis and demonstrated live example.
