1. To aware students about various career opportunities after post engineering studies.
2. To acquaint the students GATE, ESE and PSUs.

Outcomes

1. Identify various career opportunities in government sector, research field as well as private industries.
2. Motivate students to achieve their goals by preparation of competitive exams like GATE, ESE and PSUs
3. Encourage for doing specialization which help for Make in India.

On 22nd September 2017, the seminar on “ **Future Career Prospect for Engineers and Post Engineering studies**” was successfully carried out at G.M.Vedak Institute of Technology , Tala by ACE Engineering Academy, Pune.

Students of GMVIT got the valuable guidance of Dr. Nainar Reddy who is specialized in Research and marketing, currently working as Business Development and Operations for ACE engineering Academy along with that he is also a guest faculty in school of management studies, JNTUH.

Seminar started with felicitation of guest Dr. Nainar Reddy and Mr. Amol Doiphode with I/C Principal of GMVIT Prof. V.M.Shelke, then Prof. A.R.Ghadge introduced honorable Guest and Speaker Dr. Nainar Reddy and also expressed his valuable words after welcome greetings.

The I/C Principal Prof.V.M.Shelke gave his valuable guideline to the students before the presentation of Dr. Nainar Reddy.

An impressive presentation of Dr.Nainar Reddy included maximum possible points which must be taken care of while preparing GATE,ESE and PSUs. He started with the introduction of ACE Engineering Academy for GATE, ESE and PSUs and covered the following points

- What are the various career opportunities post engineering studies
- How exams like GATE/ESE can help in achieving their dreams of getting a government job
- What exactly are PSUs and how to crack them in one attempt
- Tips and tricks to employ for better score in such a competitive exams
- what are the previous cut off
- A short note on how can help students to achieve their goals and many more things.

Many students cannot figuratively decide that what should they do after BE, they got many options like, corporate job, PSU, Phd, ESE but usually most of the students get confuse and Dr. Nainar Reddy explained the pros and cons of each field according to once interest. He explicates the strategies for the preparation of GATE and ESE.

the students gave a joyful response throughout the session. Some students curiously raised some doubts and Dr. Reddy gave satisfying answers of all questions

Lastly, Prof. P.M.Autade ended the program by thanking the Guests Dr. Reddy, Mr. Amol Doiphode, I/C Principal Prof. V.M.Shelke, HOD of mechanical, all students and all Co-ordinator who made that program successful.
