Guest Lecture

The role of guest lecturer is an important one. You have been called upon to share your knowledge, expertise and real-life experiences with students. Students benefit greatly from being exposed to the additional perspectives that a guest lecturer can provide. Guest Lecture is a way of enriching our students with the latest updates of the Industries and Technicalities.

Objectives:

1. To improvement in project knowledge.
2. To planning month wise work of project
3. To write literature survey.

Outcomes:

1. Ability to apply communication between input data and processor.
2. Ability to apply techniques for the measurement of input as well as output parameters.
3. Ability to write literature survey.

Prof. S.E. Gawali
