Seminar on Kargil Vijay Diwas

Kargil war is one of the important issue in Indian history, as per considering India and Pakistan international relationship. The cause of war was the infiltration of Pakistani soldiers and Kashmiri militants into the position on the Indian sides of the LOC. The Kargil war also known as the Kargil conflict, was an armed conflict between India and Pakistan. It took place between May and July 1990 in the Kargil sector.

The operation vijay is set by the Indian military to push Pakistani militant back. The operation vijay is successfully completed by our brave soldiers. In this operation we have lost our brave soldiers. There are so many casualties during war.

Because of such huge scarification of our Indian soldier, every year we celebrate VIJAY DIWAS on 26th of july. On that occasion we have conducted seminar on Kargil war.

Objectives:-

1. To know about Kargil War History.
2. To spread awareness about sacrifices done by Indian Soldiers.
