## Industrial Visit

---

A Report on Industrial Visit at Moreshwar Auto Care , Lonere.

---

Date: 11/04/2017

No. of Students: 40

No. of Faculty Members: 02

---

Industrial Visit is a routine activity for the engineering students during which students visit companies and get insight regarding the internal working environment of a company and how a company functions, as well as useful information related to the practical aspects of the educational course which cannot be visualized in lectures.

Department of Mechanical Engineering of G.M. Vedak Institute of Technology organized an industrial visit to Moreshwar Auto Care, Lonere for B.E. Mechanical engineering students for the subject Automobile engineering of Sem VIII. Moreshwar Auto Care is a workshop for all types of vehicles for maintenance and any other support for people. Moreshwar Auto Care is managed by Mr. Nandkumar Pawar.

Two faculty members, **G.M. Vedak Institute of Technology, Tala**, along with 54 students of B.E. Mechanical visited Moreshwar Auto Care, Lonere on **11/04/2017**.

Guided by the Resource person of Moreshwar Auto Care, the students went from one section to another. They were explained in detail the working of all the particulars of vehicle by the staff at the premises. Students were divided into two groups and they visited departments like Wheel alignment department, Body Shop and all maintenance shops and obtained the deep knowledge of the maintenance and functioning of the organization.

Students were also explained about the development and maintenance of various parts of automobile body undertaken by Moreshwar Auto Care. The visit helped students to get ideas of various sections automobiles like transmission system, suspension system, steering, fuel supply etc. and its maintenance.
