Professional Activity

Seminar on Career in MBA by PNP, Alibag

Program: Career in MBA
Date: 12 August 2016
Venue: Seminar Hall

MBA, short for - Master of Business Administration, is a highly valued degree designed to develop the skills required for careers in business and management. Attaining an MBA allows you to learn how to successfully manage, lead, organize and adapt in a variety of business environments. The skills learned through an MBA program prepare you with practical skills as well as theoretical knowledge that you can further your business aspirations with. An MBA can translate your raw potential into great opportunities.
PNP has introduced MBA in various streams. Team of NIIT members presented and explained opportunities after doing MBA.

Objectives of Program:

1. To make students aware about PG courses after engineering
2. To inform about career after MBA

Seminar-cum-interactive session was well organized by ASCI (Association of Students of Computer and IT).

Students benefited from session:
2nd, 3rd and Final Year students of Computer, IT

Program Outcome:
Students will now aware about MBA career opportunities, entrance and institutes
