Report

On

**“Bridge Making IBCC INDIA Zonal Level workshop
cum Championship”**

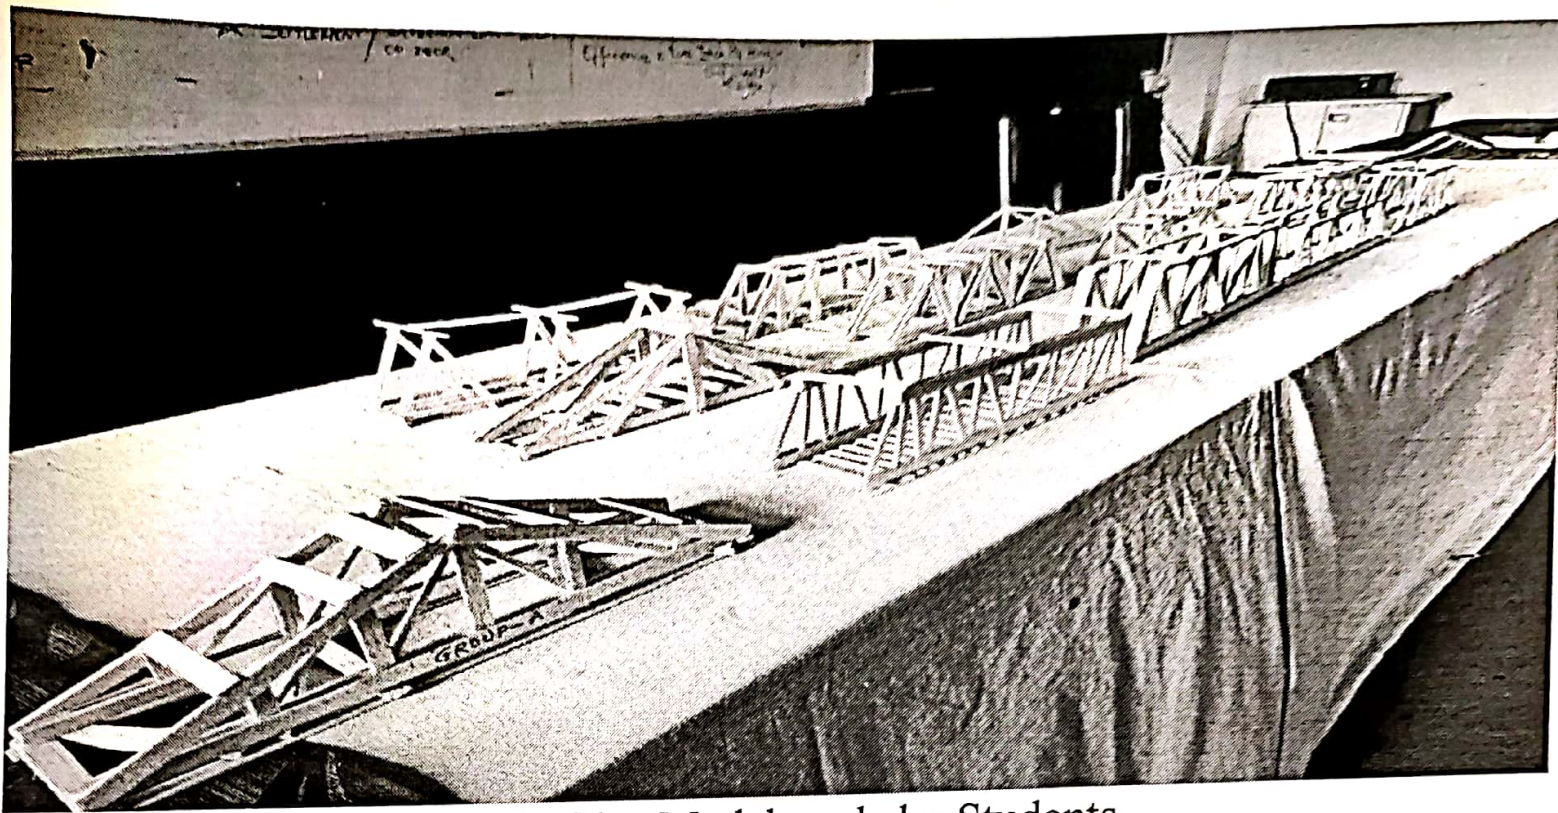

A Bridge Making IBCC INDIA zonal level workshop cum championship was organized by Department of Civil Engineering for SE, TE, BE Civil Engineering students on August 2016 at Computer Lab and Seminar Hall of G.M.Vedak Institute of Technology, Tala. The main objective of the workshop was to learn how to design and make bridge using software. All Departmental Faculty participated in workshop. Prof Y.R.Galinde and Prof.Ajeet kumar are coordinator for this workshop.

First Day of workshop was completed with introduction part of STAAD PRO and by solving Numerical on STAAD PRO. In Second Day Demonstration and Design of Truss Bridge Model, Students make group of five student. Trainer distributes materials (Blasa wood ,glue and cutter) in group,for making truss bridge model 2 hour time period are given

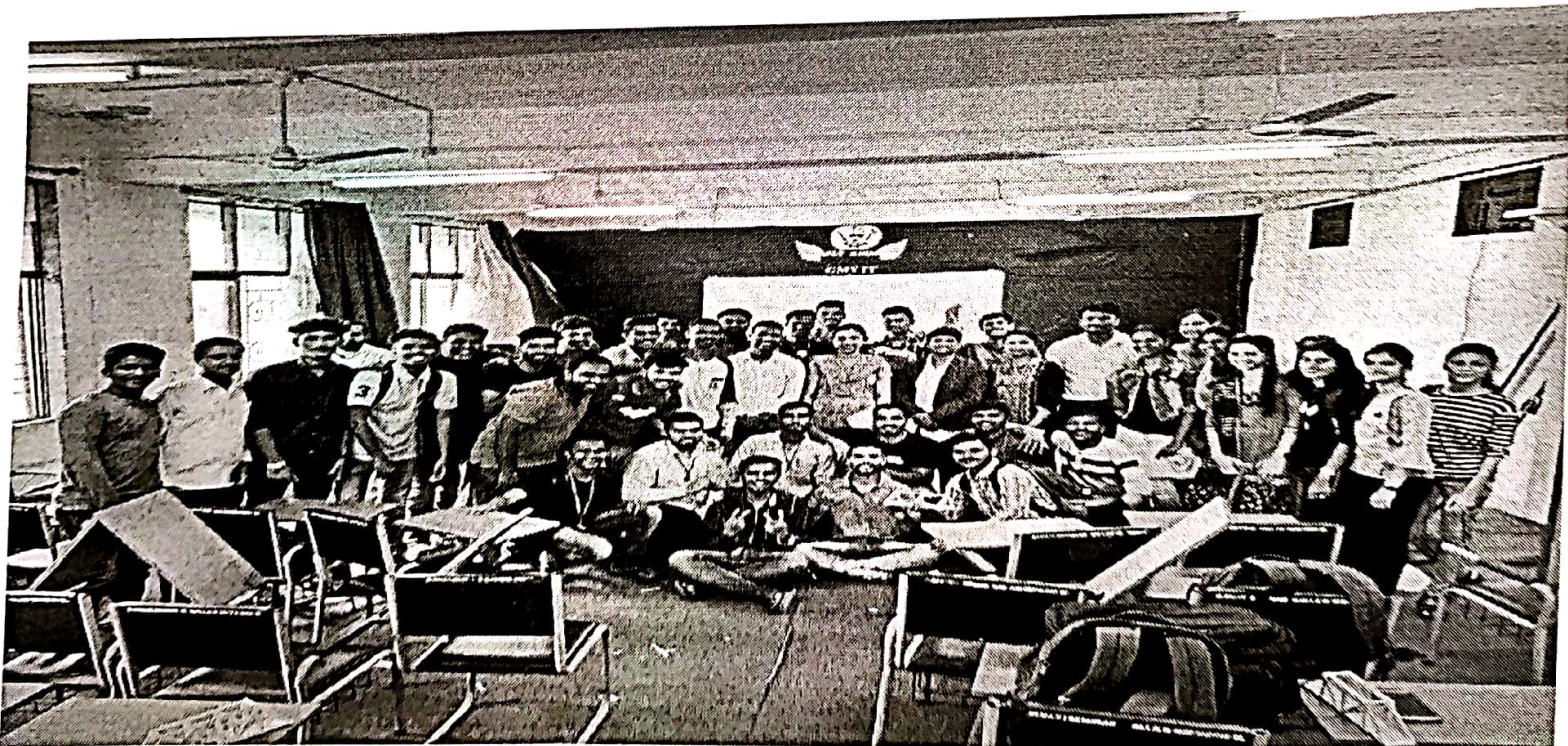

After completion of bridge model ,testing are carried out.For testing some arrangement are made ,one by one group was tested their bridge,by finding self weight of bridge and how much weight it was carried ,winner was finalized.

First three rank was finalized,All participated students really enjoyed workshop.
