Webinar on Entrepreneurship in Geo-Technical Engineering.

A webinar on "Entrepreneurship in Geo-Technical Engineering" was organized by Department of Civil Engineering for TE Civil Engineering students on 29-10-2020 At G.M.Vedak Institute of Technology, Tala. The main objective of the Webinar was How To Work As Entrepreneur in Geo-Technical Field As A Civil Engineer" All Departmental Faculty participated in workshop. Prof V.M. Mali was coordinator for this workshop.

Students also got valuable guidance on confidence, knowledge, values and Presentation technique. Confidence can be increased by achieving small small successes. Self-respect, believing in god as well as in our self is essential to have a good confidence level. For knowledge reading is must. He also emphasized on "Compound effect", "Live in today" and "Big thinking" in life.

The webinar started on 12 PM onwards. Total 24 students from civil department were present for this value added webinar.

All participated students really enjoyed the webinar.
