Valuable suggestions given by stakeholder's improvement of college are as follows:-

- Hostel is not providing good facilities as required
- Reduce fees
- No internet
- Library facilities are satisfies well.
- Your non-teaching staff especially office staff is too much rude. Please teach to them for guiding student properly. Because student have already pressure of study.
- College is situated in area where there is lot of issues regarding mobile connectivity (network failure). So need better internet connections.
- Unhygienic hostel bathrooms
- please increase training and placements
- College should improve HOSTEL facilities
- All the facilities are good as per my son's reference except the some office staff's rude behavior to the students.
- No proper facilities provided in hostel .medical facilities needed to be improved in college. And college needs to focus on the counselling
- Canteen food quality should be improved.
- Suggest to improve transport system.

- College is good... Staff is also truly helping..
- Provide internet facilities and monthly class test is required
- Work Load on Students Must be reduced
- Decrease time schedule because student get depress in 8 hrs.
- Maximum number of placements required
- improve teaching method of each faculty
- Improved your training and placement facilities canteen facilities and sports department
- Hire professional management staff
- Industrial visit allowed in at least yearly one
- Need to create more understanding between staff n students
- fees not increase too much
- Need to improve communication with parent's
- Improvement should require in travelling facility.
- Please Give the Detailed information about my daughter in detail about her behavior and Performance in studies.
- As per my study extc department is quite good prehab excellent. I like to suggest the staff of the management of the collage. They demands lot of money form the students in name of the health insurance,transport,exam fees..., I think *mouth publicity is the good publicity* so you have to take care of it..
- All things are good
-

- Take serious action about students scholarship rejection 2016-17 ...
- No response from your faculty about scholarship rejection.. they told them to fill full fees of 2016-17 at 2018-19...They have not described the reason for rejection of scholarship form rejection 2016-17..They didn't show any rejected form... And asking for pay the fees of 2016-17...Do the needful..!!
- Management of the college they demands lot of money from the students so have taken care of it.
- To get more focus on practical knowledge.
- College time have been 8:30pm to 3pm
- They shouldn't be so strict while examination
- Regarding transport if your bus haul at mahad at evening and leave morning .it is beneficial in terms of traveling expense
- Also get some social activities as like tree plantation, etc.. To feel them stress less or to teach them about nature and having some idea about their surroundings..
- Conduct workshop for students on latest technologies and programming language
- Please reduced tuition fees of open caste students as possible to you.

- Also don't involve to open caste students in your college development extra fees. Already they pay extra fees as compare to other.
- Give advance knowledge to students. Reduce the amount of fees. develop the lab equipment's. Encourage students to be self-confidant.
- Need to improve teaching quality, add some extracurricular activity, and provide some guidance about future career.
- Proper grounds for football and cricket should be developed. Electricity facility should be made.
- We trust you for the decisions you'll take for the betterment of students.
- No improvement .this clg is very good.. Teachers also well educated...
