**CESA Arranges Blood Donation Camp**

On the 23<sup>rd</sup> march, 2018, we the "Association of Civil Engineering Students" organized a successful Blood Donation Camp in our Campus. Blood Donation is an important and foremost sense of duty of every human being which saves the life of many humans who needs it in urgent situation.

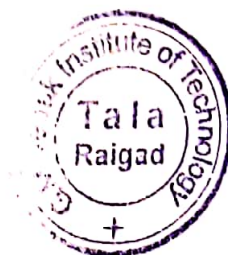

● The team who supports us for Blood donation camp was came from Jankalyan Blood Bank, Mahad. During Blood Donation all ACES volunteers and college staff supported very well throughout the whole activity.

**Mr. Mhaskar** from Jankalyan Blood Bank supported through out the whole camp take place in college with reference to our respected Principal Dr. N.Y.Patil to promote and encourage to all students for Blood Donation.

The Camp was started exactly at 10.00 am and was continued until the 2.00 pm. All the students as well as outsiders gave an excellent response for the Blood Donation Camp. It was pleasure to work for such an activity to all of us on that day and the Camp was successfully accomplished with everyone's support.

It is a proud feeling after completing this blood donation camp. As our college is in rural area & grooming day by day, we are planning more eagerly for such kinds of events.

Association of Civil Engineering Students conducted a BLOOD DONATION camp in the campus in association with the Jankalyan Blood Bankon 23 of March, 2018. The current 3<sup>rd</sup> years students planned and organized this event and to their surprise the response was huge. Many students voluntarily came up to donate the blood. The organizers of this pragmatic event were Sidhhant Desai, shreenath bhosale, Sawroop Rajpurkarto name a few.

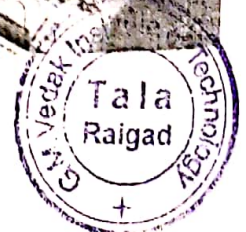

In the camp the hemoglobin content of the students were checked before donating the blood, clearly telling the students about their health condition. Many checkups for blood pressure and other tests were conducted by the doctors.

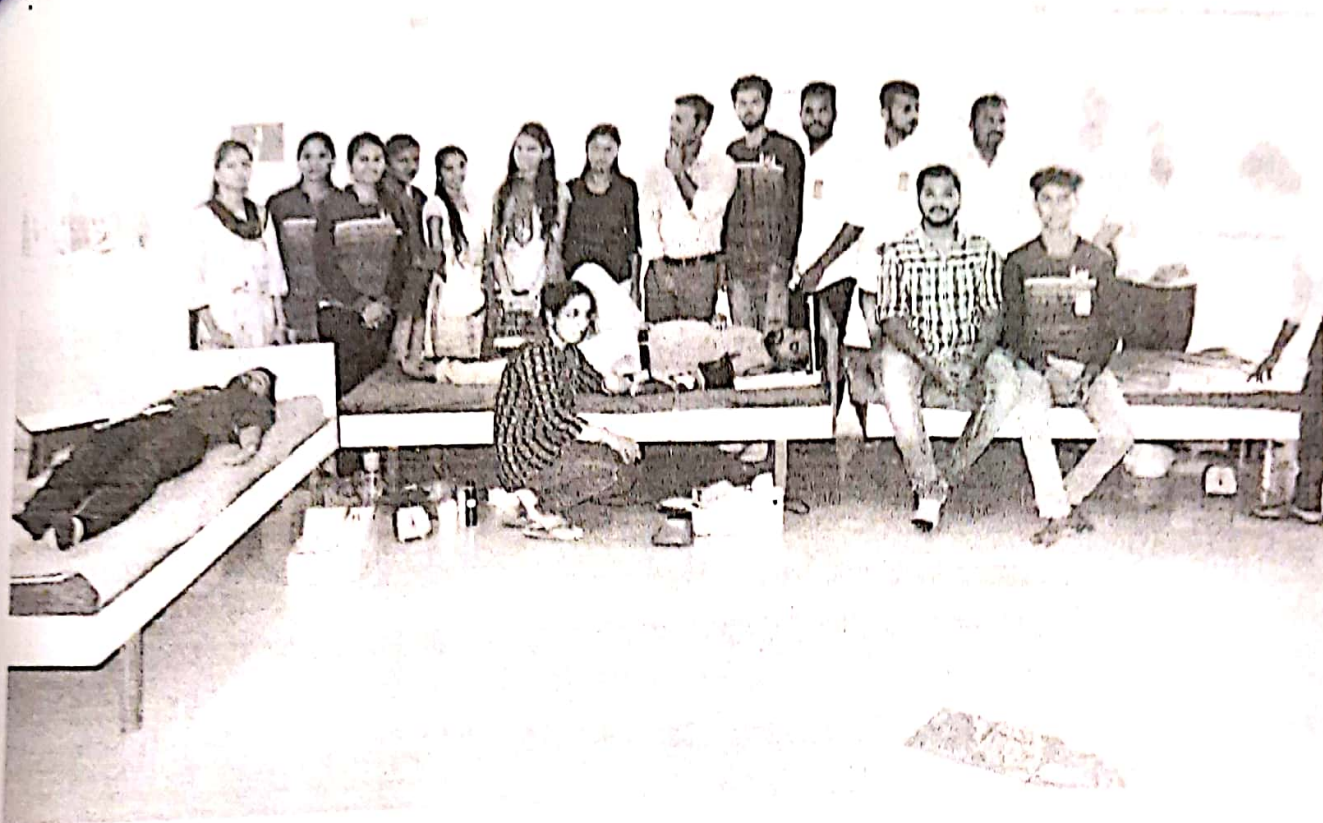

Our Principal Dr. N.Y.Patil, dean of academics Mr.V.Shelake; HOD of Computer and IT Dept, HOD of Applied Science and Humanities Mr.Deshmukh made there gracious presence in the camp which started at 10.30 a.m and went upto 2.00 p.m.

Refreshments were provided to the students who were part of the camp. The HOD of Civil Department Mr. Ajeet kumar took immense care to meet the requirements of students after donating the blood, so as to avoid any mishaps in the campus. Today accidents have increased and blood is very much in need for each and every hospital, we students don't feel so much responsible to go to blood banks and donate the blood, therefore conducting such events in college would surely make us aware of our health as well as the need of blood in this world. The huge words and quotes on the posters had an impact on the students, attracted us and made us to donate the blood. This time the camp is organized in a very disciplined manner checking each and every aspect of our health. Would like to see such camps and many other such events happen in our college."
