Sub: Request letter of Permission for Industrial Visit

Respected Sir,

It is our pleasure to introduce, G.M.VEDAK INSTITUTE OF TECHNOLOGY, TALA is one of the Engineering Institutions in Raigad District and known for its excellent record in academics and co-curricular activities. The College offers Bachelor degree course in Mechanical Engineering, Computer Engineering, Civil Engineering, Electronics and telecommunication Engineering. The state-of-the-art lab facilities and competent faculty provide an excellent climate for the all round development of the students.

As a part of the curriculum, the students are required to undertake Industrial Visits. We feel it will be beneficial to the students with academic background have a brief view of the industry in order to have a better appreciation of practical applications of theory.

In the regards, we would like to have permission to visit the industry of 40 students of MECHANICAL branch of Final Year.(B. E.) accompanied by 3 staff members to visit your esteemed industry preferably on 13/01/2019 (Any one day as per your convenience)

I request you, to kindly accord the necessary permission for the above visit and arrange for guiding the students.

We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit. We shall be grateful for a favorable reply. The list of students in BE Mechanical class is attached herewith.

Thanking You,

Ashada
Head
Mechanical Department

Yours faithfully

A Report on Industrial Visit to Micro Turners-II

Industrial Visit is a routine activity for the engineering students during which students visit companies and get insight regarding the internal working environment of a company and how a company functions, as well as useful information related to the practical aspects of the educational course which cannot be visualized in lectures.

Department of Mechanical Engineering of G.M. Vedak Institute of Technology organized an industrial visit to MICRO TURNERS-II for B.E. & T. E. Mechanical engineering students for getting the practical knowledge. MICRO TURNERS Group, founded in 1969 (started with name A K Automatics) is one of the largest integrated automotive component manufacturers in India. It has 12 world class manufacturing facilities mainly located in the North & West India. With the infrastructure and technology platform developed over 40 years, the Group is well positioned in the Indian Auto and Non-Auto component markets. With over 1600 various components, Micro Turners is mainly into the manufacturing of Transmission Gear Train Assembly, Kick Start Mechanism, Gear Shifting Towers & Forks, All types of Sprockets, Ratchets, Pinions, Clutch Shafts, Armature Shafts, Spline Shafts, Balancer Shafts, Bearing Races & Rings.

Three faculty members of, G.M. Vedak Institute of Technology, Tala, along with 40 students of B.E. & TE Mechanical visited MICRO TURNERS-II.

Guided by the Resource person of MICRO TURNERS-II, the students went from one section to another. They were explained in detail about company products, different manufacturing processes. They also demonstrated the working of different machines like CNC machine, VMC machine. Students visited all the departments of the company like Design department, Production department, Quality Control Department, Packaging and Dispatch Department. Students experienced the functioning of the organization and obtained the deep practical knowledge.

The visit helped students to get knowledge of various departments of company. This knowledge will definitely useful for them in the future.
