Offer Letter- Graduate Engineer Trainee

Dear Mr. Dalvi,

This has reference to your interview; we are pleased to inform you that you have been selected for the post of **Graduate Engineer Trainee** in our organization 'Apple Chemie India Private Limited' for Mumbai.

During your training period, you will be paid a consolidated **stipend of Rs. 15000/-per month** (Including Petrol), which may be divided under different components for convenience.

1. You will be serving a training period of 6 months (approximately), after which an evaluation will be conducted and confirmation will be granted.
2. Your services shall be transferred to any of the Sister Concern Companies as & when required.
3. The description of your job, duties & responsibilities shall be provided on your joining.
4. After training, your services may be confirmed subject to appraisal by departmental head.
5. After probation and service confirmation, as per the company's rule, 1/6th of your salary will be deducted for six months, kept as Security Deposit with the company. In case you leave the company without notice, this Security Deposit will be forfeited. In case of one month's notice given by you and clearance of accounts while leaving the company, the deposit will be returned back to you.
6. It is mandatory to serve 7 (seven) days' notice period during probation and one month after confirmation. If you leave the company without serving notice period then your salary will be forfeited.

You are requested to confirm your acceptance and your date of joining will be **01.09.2021**.

You are required to submit necessary documents as listed with this letter, immediately.

We welcome you on board team Apple Chemie India Pvt Ltd. and best wishes to you for a rewarding career.

Regards,
For Apple Chemie India Pvt Ltd.
