Program: Kargil Vijay Diwas

Date: 26 July 2019

Venue: Dome (Main Building)

Kargil Vijay Diwas, named after the successful Operation Vijay, is celebrated in India on 26 July. On this date in 1999, India successfully took command of the high outposts which had been lost to Pakistan. The Kargil war was fought for more than 60 days, ended on 26 July and resulted in loss of life on both the sides. The war ended with India regaining control of all the previously held territory, hence re-establishing the outposts previously lost to Pakistan.

The Government of India responded with Operation Vijay, a mobilization of 200,000 Indian troops. The war came to an official end on July 26, 1999, thus marking it as Kargil Vijay Diwas.

527 soldiers from Indian Armed Forces lost their lives during the war.

Objectives of the Program:

- To honor Indian Soldiers who sacrificed their lives for country's well-being.
- To celebrate and cherish the victory of operation Vijay.
- Making students aware of hardships that Indian Army and their family goes through.

Report on Gender equality & empowerment of women

| | | |
|--------------|---|--|
| Program Name | : | Gender equality & empowerment of women |
| Organized by | : | Women development cell |
| Venue | : | G. M. Vedak Institute of Technology, Tala. |
| Dated on | : | 30 th April 2019 |

Gender Equality is one of the severe issues in our current modern society. It refers to the equality of responsibilities, rights, and opportunities for females and males. Women, as well as girls, still fall behind the men and boys on the fundamental aspects globally.

It is essential to maintain gender equality for global development as well. Till now, women are still incapable of contributing effectively, and in fact, they don't recognize their complete potential.

Gender Equality and its importance:

Although our spiritual beliefs consider females as a deity, we fail to identify her as a human first. Women still understated in the positions of decision-making in different companies. Several studies show that there are below 1/3rd women in the world that occupy the ranks of senior management.

By offering gender equality in areas of health services, education, job, and involvement in administrative and monetary decision-making practices will ultimately benefit in attaining the economic sustainability overall. Numerous global organizations emphasize the significance of gender equality as a motivation for resolving several demographic, economic, and other issues.

Conclusion:

Now, positive growth can be seen in the region of gender equality (comprising the equal right to girls and boys for primary education). But, still, there are some parts of the world in which the girls and women are continuing to suffer from violence and discrimination. There is a definite necessity to make our legal and regulatory framework stronger for fighting the deep-embedded practice of gender inequality. We hope the entire world recognizes the efforts of men and women equally soon in our modern society.

This program is organised at Tala taluka main market area and Tala ST Bus stop by G. M. Vedak Institute of Technology, Tala, under the Women development cell to create the awareness about the gender equality and women empowerment.

It was successfully conducted under the guidance of the college principal, Dr. D. N. Jaiswal sir.

Celebration of INTERNATIONAL ENVIRONMENT DAY, 2019 at GMVIT, TALA

On 6th June, 2019, our college successfully completed the event of Tree Plantation under the National Service Scheme (NSS) at college campus. Trees are the foremost source for producing the oxygen in environment, they help to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

The event was begun with the welcome speech by the Principal, Prof. (Dr.) Dilip Jaiswal sir. At that time Principal advised the volunteers to think differently for the society, to make positive changes and to make improvement.

Mr. K.S. Londhe, NSS officer orients the NSS volunteers by notifying the importance of NSS for them as well as society. He shared his past experiences with volunteers that how he got the success through NSS and what difficulties he faced while performing his role as Programme Officer. He said that "In society all the human beings are comprise equal importance, no matter with the Men or Women." He also said that the dedication is must to accomplish the goals and dreams in life. After the inspirational words of NSS officer and Principal, we all move towards the place where tree plantation took place. A very first tree plant by our student Prasad Kawale in college premises and then Principal Prof. (Dr.) Dilip Jaiswal sir also plants a tree. Total tree planted by all others including teachers, volunteers and other students was more than 20 on the day. All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature
