### Subject: Conducting PCRA sponsored Institutional Training Program (ITP) Program

Dear Sir/Madam,

**PCRA (Petroleum Conservation Research Association)** is a registered society set up in 1978 under the aegis of **Ministry of Petroleum & Natural Gas**. As a non-profit organization, PCRA is engaged in promoting energy conservation and efficiency in various sectors of economy i.e. Industry, Agriculture, Transport, Domestic and Commercial in close cooperation with Public Sector Oil & Gas Companies, Government & Non-Government Organizations, Research Institutes and Laboratories, Educational Institutions, Consumer Associations and other organizations.

We are pleased to inform you that the PCRA has planned to conduct **Institutional Training Program** at your premises.

This program has been conducted as a part of PCRA chartered activities (2018-19).

As this program is sponsored by PCRA, **no fees or charges** shall be levied on the organizer.

The program consists of following points,

1. Energy awareness activities
2. Tips for saving energy
3. Energy conservation examples
4. Energy efficiency examples
5. Global warming (can we stop global warming)
6. Climate change meaning
7. Quiz competition and prize distribution
8. Feedback

We request you to please permit to conduct the above program and communicate the convenient schedule.

Yours truly,

Dr. S D Dalvi, External faculty (PCRA),  
[santoshddalvi@gmail.com](mailto:santoshddalvi@gmail.com), M-9869012496,

Department of Mechanical Engineering  
Academic Year 2018-19 First Half 2019

GMVIT/MECH/ 2018-19

Date: -31/01/2019

To,  
Principal,  
GMVIT, Tala,  
Raigad.

Subject :- PCRA –Institutional Training Program ITP

Respected sir,  
The Institutional Training Program ITP is sponsored by PCRA (Petroleum Conservation Research Association) for engineering students to understand the following things,

1. Energy conservation act.2001
2. Energy scenario and Energy security
3. Energy Audit
4. Importance of energy conservation
5. Methods of energy conservation
6. Clean development mechanism

With reference of above subject , We are going to arrange the program on 1<sup>st</sup> feb 2019 at 11 am to 1pm . It will be conducted by Dr. Santosh D.Dalvi external faculty of PCRA.

Thanking you,

*Shadga*  
31/01/19.  
HOD

Mechanical Engineering Department

1) Budget Required,

↓ breakfast and ↓ lunch for External faculty.

2) Seminar Hall required to conduct the session.

3) Generator required if power will be not available.

4) Vehical required to pickup and drop the External faculty from Indapur to College.

Approved

Subject: Invitation for conducting an Institutional Training Program (ITP) on **"Energy and Related Aspects"**.

Dear Sir,

G. M. Vedak Institute of Technology is one of the renowned engineering colleges in Mumbai University. By considering the current need to understand recent developments and their practical aspects in the society, we arrange guest lectures / expert lectures by eminent personalities to throw some light on such topics and both faculties and students can get benefited by the same. In the same context, I am glad to invite for delivering a seminar on **"Energy and related Aspects"** at G. M. V. I. T., Tala for all students and faculties here.

The tentative schedule for the program is as follows:

10.45 a.m. A brief meeting with Mechanical Department Faculties

11.00 a.m. Start of the program

01.00 p.m. End of program

01.15 p.m. Lunch

Looking forward for a continual and progressive interaction.

Thanking you.

*Accepted*

**NOTICE**

**A**

**Seminar on**

**“Energy and related Aspects”**

All the students and faculties are invited for an Institutional Training Program (ITP) on the topic **“Energy and related Aspects”**, sponsored by Petroleum Conservation Research Association (PCRA). The seminar is being arranged by keeping objective in mind to understand following aspects related to Energy:

- 1) Energy conservation act 2001.
- 2) Energy scenario and energy security
- 3) Energy audit
- 4) Importance of energy conservation
- 5) Methods of energy conservation
- 6) Clean development mechanism

Hence, take this opportunity and attend the seminar.

Guest

1. Dr. S. D. Dalvi  
Associate Professor, LTCOE

Time and Venue:

Date: 01/02/2019 and Time: 11.00 a.m.

Venue: Mechanical Engineering Department Seminar Hall

## Energy and Related Aspects

Sr. No.	Topic / Subject	Name of the guest / expert	Date of the event	Duration of the event	No. of participants
1	Energy and Related Aspects	Dr. S. D. Dalvi	01/02/2019	1 day	50

### Objectives of conducting guest lecture:

1. Creating awareness about the energy and its proper use.
2. Understand the various aspects of energy.

By keeping in mind above objectives, the program was arranged for both students and faculties. The program was organized by Asst. Prof. A. R. Ghadge (HOD Mechanical) and was successfully managed by all the faculties of Mechanical Department. Dr. S. D. Dalvi introduced various aspects of energy to students. He explained students that how to conserve the energy with various simple but interesting examples. He also insisted all to enter in the Energy Audit and Energy Management field, so that we all can prosper in energy field.

A special thanks to PCRA for sponsoring this event. Also thanks to Dr. S. D. Dalvi sir for guiding us on energy and related aspects.

### Outcomes of conducting guest lecture:

1. Students understood the importance of energy conservation and management.
2. All the participants are motivated to do energy audit so that we can reduce our daily energy consumption.

Dear Sir,

We would like to extend our warm thanks to you for delivering a seminar on **"Energy and related Aspects"**. The valuable information shared by you has inspired our students and faculties.

We sincerely thank for the support and the valuable time given by you and we hope that you would continue to extend your support in our future initiatives as well.

Thanking You.
