## Report on Road Safety Awareness Program

**Programme Name** : Road Safety Awareness  
**Organized by** : Applied Science and Humanities Department  
**Venue** : G.M.Vedak Institute of Technology, Tala .  
**Dated on** : 29/08/2019

A Road Safety Awareness program was organized at our college premises on 29/08/2019. The dignitaries who shared the session were the Mr. Suresh Gengaje Police Inspector, Tala. The session was very useful for students like us and he was focusing on the safety measures to be followed while riding.

The program was started with felicitation of guest, welcome address and introduction of guest given by Head of Applied Science & Humanities Department Miss R.B. Ghuge madam. Our honourable Principal Dr. D. N. Jaiswal sir had addressed to students and they shared importance of this program. The speech delivered by the Mr. Suresh Gengaje was very informative and he provoked the undeniable truth that "each one's safety is in their own hands" as well on the importance of a how precious each one's life is.

Mr. Suresh Gengaje mainly focus on several measures have been undertaken by the students for the safety of the travellers on road as

- ❖ Seat belt wearing is an important rule for the people traveling in the front seat of the four wheeled vehicles. Heavy penalties have been levied in certain states for the people who violate the rule. This is a major safety measure taken by the government. The wearing of the seat belt reduces the risk of major injury if accident happens and surveys have proved the fact.
- ❖ Two wheeled vehicle drivers have to wear helmets and failing to do so can lead to heavy penalty. Measures are taken by the government for the benefit of the people.
- ❖ Use of cell phone while driving is prohibited. But hardly people try to follow the rule sometimes. To prevent this, preventive measures like fine payment has been levied on the citizens who are found driving and talking on the mobile simultaneously.
- ❖ Red light jumping and no lane driving is another hazard in maintaining road discipline. This is the reason why the government has taken the measure of penalty payment of red light jumpers.
- ❖ Over speeding also leads to punishment and many people end up paying fine. The students were very much enlightened by his motivating speech because at this age we ride for fun.

This program was ended with vote of thanks given by the student. Further the Road Safety Awareness Rally was conducted by all students & Faculties from Mule Naka to S.T.Stand.

महोदय,

२०१९ च्या महाप्रलयकारी महापूराने घातलेल्या धैर्याने ४० वर्षांपूर्वीची शाळा लयास गेली. तीन गावच्या ३२५ विद्यार्थ्यांच्या कौटुंबिक हानी बरोबरच त्यांचे शैक्षणिक विश्व संपले आहे. चिमुकल्यांचे शैक्षणिक भविष्य अंधारमय झालेले असताना आपण एक आशेचा किरण दाखवला तुमची लाख मोलाची मदत शाळा नव्याने पुन्हा उभा करण्यासाठी अविस्मरणीय आहे.

माणुसकीची ओढ असलेली तुमच्यासारखी देव माण्ये आप्ताला घेटली हे आमचे परमभाग्य. तुमच्या दारुत्वाला, कर्तुत्वाला आमचे त्रिवार वंदन.

Dear Sir/ Madam,

An appeal to help the flood affected people of Sangali and Kolhapur districts was made by the NSS cell on 10<sup>th</sup> August, 2019. 157 colleges contributed to the relief material collection.

I do not have words to express my gratitude towards the colleges for generous relief material collected by the staff, volunteers under the banner of N.S.S. Some colleges have arranged for transportation on their own. Some colleges have handed over the material to Government agencies/NGOs. Some have sent the material through the trucks arranged by the NSS district coordinators and Department of Student Development, University of Mumbai. As a result of the cumulative efforts, the collected material was distributed to more than 4000 families in villages Terwwad, Herwad, Shirti, Bastiwad, Merwad, Kurundwad, Tal. Shirol, Pundi, Tal. Palus, Avali BK, Karanjisen Tal. Radhanagari, Bahireswar, Tal. Karveer, Khochi, Bhendawade Tal. Hatkanagale, Bhilwadi Tal. Tasgaon, Bahegaon, Islampur, few villages from Sindhudurg district and medicines Doxycycline in villages in Pen Tehsil.

A google form was used to collect the data of collection of flood relief material. The program officers of respective colleges have filled the form. A separate list of the consolidated data is enclosed with this letter.

I also wish to put on record the sincere efforts taken by the colleague program officers, volunteers, non NSS students, the staff of your college and the management. I thank you on behalf of the N.S.S. Cell of the University of Mumbai for generously helping the cause.

## Celebration of INTERNATIONAL ENVIRONMENT DAY, 2019 at GMVIT, TALA

On 6th June, 2019, our college successfully completed the event of Tree Plantation under the National Service Scheme (NSS) at college campus. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO<sub>2</sub>. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

The event was begun with the welcome speech by the Principal, Prof. (Dr.) Dilip Jaiswal sir. At that time Principal advised the volunteers to think differently for the society, to make positive changes and to make improvement.

Mr. K.S. Londhe, NSS officer orients the NSS volunteers by notifying the importance of NSS for them as well as society. He shared his past experiences with volunteers that how he got the success through NSS and what difficulties he faced while performing his role as Programme Officer. He said that "In society all the human beings are comprise equal importance, no matter with the Men or Women." He also said that the dedication is must to accomplish the goals and dreams in life. After the inspirational words of NSS officer and Principal, we all move towards the place where tree plantation took place. A very first tree plant by our student Prasad Kawale in college premises and then Principal Prof. (Dr.) Dilip Jaiswal sir also plants a tree. Total tree planted by all others including teachers, volunteers and other students was more than 20 on the day. All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature
