## Report on Road Safety Awareness Program

**Programme Name** : Road Safety Awareness  
**Organized by** : Applied Science and Humanities Department  
**Venue** : G.M.Vedak Institute of Technology, Tala .  
**Dated on** : 29/08/2019

A Road Safety Awareness program was organized at our college premises on 29/08/2019. The dignitaries who shared the session were the Mr. Suresh Gengaje Police Inspector, Tala. The session was very useful for students like us and he was focusing on the safety measures to be followed while riding.

The program was started with felicitation of guest, welcome address and introduction of guest given by Head of Applied Science & Humanities Department Miss R.B. Ghuge madam. Our honourable Principal Dr. D. N. Jaiswal sir had addressed to students and they shared importance of this program. The speech delivered by the Mr. Suresh Gengaje was very informative and he provoked the undeniable truth that "each one's safety is in their own hands" as well on the importance of a how precious each one's life is.

Mr. Suresh Gengaje mainly focus on several measures have been undertaken by the students for the safety of the travellers on road as

- ❖ Seat belt wearing is an important rule for the people traveling in the front seat of the four wheeled vehicles. Heavy penalties have been levied in certain states for the people who violate the rule. This is a major safety measure taken by the government. The wearing of the seat belt reduces the risk of major injury if accident happens and surveys have proved the fact.
- ❖ Two wheeled vehicle drivers have to wear helmets and failing to do so can lead to heavy penalty. Measures are taken by the government for the benefit of the people.
- ❖ Use of cell phone while driving is prohibited. But hardly people try to follow the rule sometimes. To prevent this, preventive measures like fine payment has been levied on the citizens who are found driving and talking on the mobile simultaneously.
- ❖ Red light jumping and no lane driving is another hazard in maintaining road discipline. This is the reason why the government has taken the measure of penalty payment of red light jumpers.
- ❖ Over speeding also leads to punishment and many people end up paying fine. The students were very much enlightened by his motivating speech because at this age we ride for fun.

This program was ended with vote of thanks given by the student. Further the Road Safety Awareness Rally was conducted by all students & Faculties from Mule Naka to S.T.Stand.
